- (X) Lawrence G. Stevens
- (X) Mayor, Robert L. Kaler III

The record shows that four members of the Council were present at roll call, as well as, Solicitor Catherine M. "Kate" Harper; Timoney Knox LLP, Borough Manager Michael J. DeFinis, Assistant Manager Jaime E. Snyder and Assistant to the Manger; Kathryn Vlahos.

1. APPROVAL OF MEETING AGENDA:

Motion: A motion was made by Councilmember Ferguson to

Approve the Regular Meeting Agenda of October 20, 2021. The motion was seconded by Councilmember Kroesser and

unanimously approved with a vote of 4-0.

2. APPROVAL OF THE MINUTES:

Motion to Approve the Minutes of the September 15, 2021, Workshop Regular Meeting

Motion: A motion was made by Councilmember Kroesser to

Approve the Minutes of September 15, 2021, Workshop

Regular Meeting. The motion was seconded by

Councilmember Ferguson and unanimously approved with

a vote of 4-0.

3. PUBLIC HEARING:

Regarding Act 50 Regulations of Small Wireless Facilities Ordinance No. 541 Chapter 17. Councilman Weierman suspended the Regular Scheduled Public Meeting and opened

for the Scheduled Public Hearing. A Court Reporter was present and the Public Hearing closed at 7:46 PM.

4. PUBLIC INPUT: President Weierman asked if there was any Public Input. No Media Present.

Owen Wilcox, 32 School Lane, addressed The Council with three items that he wanted to discuss. Item one was that there was a committee meeting before the meeting that was closed to the public which he feels that all committee meetings should be open to the public. The second item that he wanted to discuss was the disabled cars that have been parked on Chestnut Street for a while. The third item was a suggestion to Borough Council if a schedule could be created on when the street sweeper would be coming by on the roads so that residents could move their cars.

Solicitor Harper responded to Mr. Wilcox on the topic of the committee meetings stating that the sunshine law exempts meetings without a quorum from being open to the public, in addition, it also exempts deliberations. The committees report back to the full boards in which the full board can only actually take action under the law. In regards to the ordinance on the street sweeper, it is blank because Council has not decided on a set schedule.

Councilman Kroesser responded to Mr. Wilcox's comments in regards to the cars that are parked on Chestnut Street. He stated that due to the storm in September, many cars were flooded out and needed to be towed. This is a temporary situation due to the influx of cars that were damaged, and long waitlists to get them picked up by an authorized company to take the cars.

Richard Girard, 202 Jade Drive, addressed Council and stated that he is currently running for office in the Borough and wanted to find out the possibility of receiving permission to put political signs on Borough property and according to Borough Code 27-11-05 permission is needed from Council. Mr. Girard also asked about the AMP Website for the Borough that has been down now for about a week and a half.

Manager DeFinis replied to Mr. Girard and said that he needs to reregister for the AMP website since something happened to the site and they had to take it down. Manager DeFinis asked Mr. Girard to give him a call tomorrow and he will walk him through the process. He will also make sure that the information for Centravu is updated so that all residents will know how to access it again.

Councilman Ferguson asked if he could address Council on the topic of Political Signs on Borough Property and for the record, he is speaking as a citizen of the Borough and not as a Council Member since he is also running for Political Office. Mr. Ferguson stated that since the right of ways is Borough property, he is asking Borough Council to wave enforcement of Borough Code and allow political signs in the right of ways.

Solicitor Harper reviewed with the Council the sections in the Borough Ordinances which discuss Political Signs. Solicitor Harper also reviewed the new regulations with the Sunshine Law which stated that the agenda has to announce 24 hours in advance of the public meetings. The agenda was announced and it did not include this subject if Council would take action tonight to allow the signs in the right of way, public parks, or the municipal building its questionable that it meets with the Sunshine Laws requirements.

After a lengthy discussion Council decided that they were not going to give an exception to prevent the enforcement of allowing political signs in the public right of way.

Justin Long, 151 East Vine Street, addressed Council and stated that Hatfield Township reached out to him after they went to inspect the property that is disposing of trash into the creek which is causing damage to Mr. Long's property. From that inspection, the township decided that the parcel that Mr. Long is referring to is actually in Hatfield Borough.

Solicitor Harper recommended that the Borough's Engineer looks at the property to see if there is any jurisdiction over the creek or if it would DEP who would regulate the debris in the creek.

Mr. Long would like the Borough to contact the property owner that the debris is coming from and ask them to clean up the debris.

6. NEW BUSINESS/DISCUSSION ITEMS:

A. HVAC Hatfield Volunteer Fire Company Flasher Installation Award Consideration Recommendation from McMahon & Associates

Council Ferguson asked if the Borough went out to bid for this project would the cost of construction be a lot lower due to the higher costs of materials and labor this year? Manager DeFinis stated that he can ask the engineer if there would be a difference due to the elevations of costs this year. Assistant Manager Jaime Snyder stated that these project

costs are being shared with Hatfield Township as well as a grant that they received for this project.

B. AJ. Jurich Lincoln Avenue Bridge Project Extension Request

Manager DeFinis explained to Council that there are letters in their packet from AJ. Jurich and their Engineer explaining why AJ Jurich is requesting an extension to the project.

C. Delaware Valley Workers Comp Recognition

Manager DeFinis stated that the Borough is recognized for being a municipality whose Workmans Comps Claims are low.

- D. APPA Legislative Rally Announcement
- E. October 27th Zoning Hearing Notice

Solicitor Harper commented to the Council has the right to support or oppose a Zoning Hearing Application, and asked if they would like her to attend. The applicant had a building permit that was denied and they are requesting a variance. Manager DeFinis commented that part of the complications with this property is when the previous owner built the addition it was built outside of the property lines. The applicant would like to put a permanent roof on the existing patio that is there. The applicant has a preexisting non-conforming patio and is looking for a variance to cover the patio.

2	PRESIDENT WEIERMAN: Continuing with
3	item three, public hearing scheduled for this
4	evening, regarding Act 50, Regulations of Small
5	Wireless Facilities, and that's our Ordinance
6	Number 541 Chapter 17. And I'll turn it over to
7	our solicitor.
8	MS. HARPER: Thank you very much. We
9	have a court reporter here tonight and we're
10	going to handle this, as we handle all of our
11	hearings, in a very orderly way.
12	So the first thing I'd like to do is
13	to mark as exhibits, B-1, which is one of the
14	legal ads, the long one; and $B-2$, which is the
15	second legal ad; and $B-3$ for Borough is
16	a copy of the Ordinance 541.

	BURSNER & ASSOCIATES COURT REPORTING (610) 279-2711

1	IN RE: ORDINANCE NO. 541 CHAPTER 17
2	
3	Now, Borough Council will remember we
4	discussed this ordinance at the workshop and
5	it's a result of a change in the state law
6	that basically says that local governments
7	have to allow small wireless facilities
8	everywhere in the Borough, regardless of
9	zoning.
10	So previously, if they were limited
11	to places that weren't residential or
12	whatever, you're no longer allowed to do that,
13	by state law. And if you want to have any
14	control at all over these small wireless
15	facilities, you need to pass an ordinance
16	before October 30th to regulate them.
17	The regulation that is in this
18	ordinance, which is in your packets, basically
19	says they can be allowed anywhere, but you
20	have to get a permit for them and that we can
21	charge for the use of our rights of way.
22	Previously, we could charge if they
23	wanted to put a small wireless facility on a
2 4	pole that we own, and, of course, we own a

bunch of electric poles.

25

IN RE: ORDINANCE NO. 541 CHAPTER 17

2.0

But in the Borough there are also other things that these small wireless facilities could be attached to that we don't own. For example, AT&T or Verizon owns telephone poles here and they can charge or cut a deal with a big wireless provider where their poles get to be used for a certain price and that would not affect us.

But because we own the rights of way where the poles are located -- for the most part the poles are in the rights of way -- then we can regulate and be paid a fee for the use of our right of way for these small wireless devices.

So the ordinance that you have in front of you is basically what Cohen Law Firm, which represented the local governments in lobbying on these bills in Harrisburg, wrote as a draft ordinance with certain exceptions.

I made small minor changes to the ordinance to give you more control. I believe these changes are consistent with the state law and that we can get away with it.

For example, the model ordinance that BURSNER & ASSOCIATES COURT REPORTING (610) 279-2711

1	IN RE: ORDINANCE NO. 541 CHAPTER 17
2	Cohen had produced, allowed I don't know
3	up to 10 or 25 small wireless applications
4	without getting a permit. I changed that.
5	The Borough is so small that, for heaven's
6	sake, 10 or 20 might be all we get, and we

would want to know where they are.

In another Township that I represented, we did have an issue where they actually erected a pole to put one of these on right in the front of somebody's picture window. You know, so we want to have some control over that. And so that's all -- I changed the model ordinance to give us some control.

In addition, the model ordinance provides that you can have certain standards so that we encourage these facilities in some places and discourage them in others. Does that make sense?

So the ordinance provides that we can have those kinds of standards. And my suggestion is that we take the model that was offered by the Cohen Law Firm and that we give it to our planning commission and ask the BURSNER & ASSOCIATES COURT REPORTING (610) 279-2711

1	IN RE: ORDINANCE NO. 541 CHAPTER 17 7
2	planning commission to look over the model and
3	see if they would like you to adopt that after
4	you adopt this ordinance.
5	MR. DEFINIS: And that can be set by
6	resolution, correct?
7	MS. HARPER: Yes.
8	MR. DEFINIS: Those design standards can
9	be set by resolution?
10	MS. HARPER: Right. And at the
11	moment and I'll ask the borough manager this
12	question. I'm going to formally swear you in,
13	Mike, but you are under oath. Have we received
14	any applications for small wireless facilities?
15	MR. DEFINIS: We have not at this time.
16	MS. HARPER: We don't. So other than
17	the fact that state law says if you don't pass
18	this local ordinance within 60 days of the state
19	law, you can't pass any ordinance. Okay. We can
20	change this. But we got to get it done.
21	So that's why we're doing it and I
22	think we have time to have the planning
23	commission, you know, give us some advice on
2 4	certain other standards that we can require.
25	And that's the reason for requiring a permit
	BURSNER & ASSOCIATES COURT REPORTING (610) 279-2711

1	IN RE: ORDINANCE NO. 541 CHAPTER 17 8
2	for every installation, so that we can look at
3	it and see where is it going to be. What we
4	want to do is make sure this is in the
5	ordinance, that it's not so low that it
6	interferes with people walking along the
7	street or, you know, that it's so high that it
8	interferes with our electrical utilities or
9	something like that. We want to make sure
10	that it's in the best place possible.
11	If we have to have them, we want to
12	make sure it's in the best place possible. So
13	that's basically the ordinance.
14	First, I think, Mr. Chairman, we
15	should see if the Borough Council has any
16	questions, and if not, we can open it to the
17	public.
18	I should say for the public, if you
19	plan to speak, wait until you're recognized by
2 0	Council President Weierman, state your name
21	and address , and then you can say or ask
22	whatever you want. But I think we start with
23	Borough Council for that.
2 4	PRESIDENT WEIERMAN: That's correct.

Thank you. Council, Mayor, any questions?

25

BURSNER & ASSOCIATES COURT REPORTING (610) 279-2711

1	IN RE: ORDINANCE NO. 541 CHAPTER 17
2	have to get it within a certain period of time?
3	MS. HARPER: There's no time period, but
4	I would suggest we do it within the next 60 days,
5	because we surely want to have it in place before
6	anybody comes in with an application.
7	MR. FERGUSON: Okay.
8	MS. HARPER: And then our code officer
9	will get applications and be able to apply the
10	standards and say, yes, this one is fine and that
11	one's not, or whatever.
12	MR. FERGUSON: Okay. Makes sense.
13	Thank you.
14	PRESIDENT WEIERMAN: I'd just like to
15	point out that the fee for an applicant would be
16	\$270 per new utility pole to be used with a small
17	wireless facility. So that would be the minimum
18	amount that we're currently suggesting.
19	MS. HARPER: Right. And that's the
20	maximum under the law. That may change, but
21	right now that's as much as we could ask for.
22	PRESIDENT WEIERMAN: Thank you. No
23	further questions from Council?
2 4	MR. DEFINIS: Some clarifications. So I
25	did already I did speak to the utility
