

Borough of Hatfield

Montgomery County, Pennsylvania

PRESS RELEASE

BOROUGH OF HATFIELD

CELEBRATES PUBLIC POWER WEEK

OCTOBER 6TH – 12TH

Hatfield Borough is celebrating Public Power Week October 6th thru 12th along with more than 2,000 other community-owned, not-for-profit electric utilities that collectively provide electricity to 49 million Americans.

“Public Power Week celebrates the reliable, affordable electricity the Borough of Hatfield provides to our community,” said Hatfield Borough Assistant Manager Jaime Snyder. Public Power puts the people of Hatfield Borough first, and Public Power Week gives us the chance to emphasize the advantages of locally grown, locally owned power to our citizens,” said Ms. Snyder.

“Our service is reliable and safe and we take pride in serving our friends and neighbors,” said Public Works Director Fred Leister. The Hatfield Borough Electric Department is proud to have served our community since 1908.

Hatfield Borough invites community members to participate in a variety of Public Power Week events.

- LED Light Bulb distribution to the first 50 residents that mention Public Power while visiting the Borough Office during Public Power Week.

Today Hatfield Borough serves over 1500 electric customers powered by a diverse power supply portfolio.

###

Public Power Week is an annual national event coordinated by the American Public Power Association in Washington, D.C. The American Public Power Association is the voice of not-for-profit, community-owned utilities that power 2,000 towns and cities nationwide. The Association represents public power before the federal government to protect the interests of the more than 49 million people that public power utilities serve, and the 93,000 people they employ. It advocates and advises on electricity policy, technology, trends, training, and operations. Its members strengthen their communities by providing superior service, engaging citizens, and instilling pride in community-owned power. More at www.PublicPower.org.
