5:00 pm to 8:00 pm

Raffles, Door Prizes and Entertainment

**Participating businesses will be identified
by colored balloons at the event!**

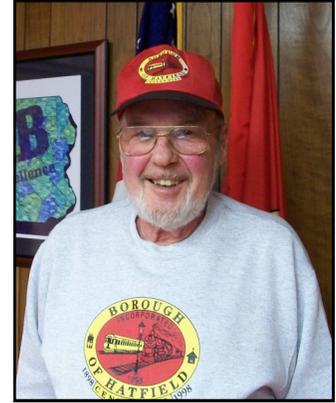

BOROUGH OF HATFIELD OFFICIALS CORNER

Robert L. Kaler III, Mayor

As the Mayor of the Borough of Hatfield, my primary duty and concern is the safety and welfare of Borough residents. The Borough Public Safety Committee and I work closely with the Police and Fire Departments to ensure the safety and welfare of all Borough residents. As the Borough representative for the Northern Montgomery County Recycling Commission, I work closely with staff to distribute recycling information to residents. Please visit the Borough website www.hatfieldborough.com and the Borough information channel, HTV for recycling information & updates.

John H. Weierman, Chairman Budget, Finance & Labor Committee

As we are all aware, the interest rate environment for savings and investments continues to be at record low yields. As a result, upon recommendation by the Budget, Finance & Labor Committee, Borough Council approved prepayment in full of the 2003 Series A Note obligation obtained through the Delaware Valley Regional Finance Agency. Taking this action not only eliminated Borough debt, but also improves the overall return on the Borough's funds by using lower yielding investments to repay a higher interest rate loan. This is just one example of how the Borough Council manages the Borough's income and expenses effectively.

John Kroesser, Chairman Public Works Committee

During the first quarter of 2013, the committee has worked with staff to develop and bid the South Main Street curb replacement project. In February, Council awarded the project and the contractor has been given official notice to proceed. Crack sealing and seal coating of certain roads will continue in 2013, honoring the Borough's 10 year road maintenance program. The Borough's stream clearing program is credited for limiting flooding during Hurricane Sandy. The PW committee has recommended additional stream clearing for 2013, and has directed Manager DeFinis to solicit proposals to clear the overgrowth at the Heather Meadows Pond.

Lawrence G. Stevens, Chairman Property & Equipment Committee

The Property & Equipment Committee has been working with staff to determine the best manner to utilize Borough resources. During the first quarter of 2013, the Borough office experienced several disruptions in cable and internet service. The Borough IT service provider spent countless hours investigating the concerns of staff. After exhaustive investigation, it was determined most of the disruptions were caused by Comcast equipment failure and a change in Comcast equipment. Staff and George Bardissi of Bardissi Enterprises, the Borough IT service provider, decided to move the email to an off-site server. This would eliminate the need to update the current server to a larger server. Staff and Bardissi are also making the transition to a VOIP phone service to better serve the residents and business owners.

WHAT'S GOING ON IN THE BOROUGH

**HATFIELD AMERICAN
LEGION POST 933

Tax Collector Corner "From the Desk of Nancy DeFinis"

Hello. Did you know your County and Borough taxes are based on a calendar year and your School taxes on a fiscal calendar? In Pennsylvania property tax rates are referred to as millage rates, and they are figured in mills. One mill is equal to 1/1,000 of a dollar. Basically, for every \$1,000 in taxable value, a property owner will pay \$1 in taxation per mill.

Kindly note your Hatfield Borough and Montgomery County taxes are currently due. If your payment is received by April 30, 2013 you will receive a 2% discount. In addition, I have added extra hours to my schedule on June 29th from 11:00 am to 2:00 pm at the Borough Office.

As always, if you have a question regarding your real estate taxes kindly call me or schedule an appointment. My telephone number is 215-855-0781 option 7 and leave me a detailed message with your return phone number and best time to call. I check my messages on a regular basis and return calls promptly.

Look for your North Penn School District bill in your mail on/or before July 1, 2013. The millage rate for your school taxes will not be determined until mid June. Please know I am happy to serve as your elected Tax Collector representing you and the town I love.

Fondly, Nancy
