## Service Memorials at Electric Plant Park Dedicated

Hatfield Borough has a new addition to their Electric Plant Park, located in

front of the Borough Hall at 401 S. Main Street. The new "Service Memorials" were recently dedicated and are a beautiful addition to the park which is already the home to many deciduous trees, ornamental bushes and a Gazebo.

Residents, officials, and representatives of all branches of the Armed Service were in attendance on June 28, 2008 for the dedication ceremony. The park now features a new brick walkway leading to a pond-less waterfall, a sitting wall, and three new illuminated flagpoles. The base of the flagpoles is the home to the seven dedicated memorial plaques, each

honoring the five branches of the United States Armed Forces along with our own Police and Fire Departments.

The ceremony concluded with Council President John Weierman reading a congratulatory tribute from the Senate of Pennsylvania along with acknowledgements from both the House of Representatives and Governor Edward Rendell honoring Hatfield Borough for its 110th anniversary.

Borough Council President John Weierman speaks to the crowd at the newly dedicated Service Memorials.

## Borough Electric Is a Bargain

The average Borough homeowner uses approximately 1,000 kilowatt hours of energy a month. The average homeowner pays \$146.63 a month and \$1,759.56 a year. PECO customers in neighboring communities pay \$164.28 a month and \$1,971.36 on an annual basis.

Hatfield Borough residents save on average **\$211.80** a year due to the Borough owning its own electric utility. This is **12%** less than what customers in neighboring communities pay.

*We hope you will agree that Hatfield Borough electric is a great deal and a real bargain!*

## Borough Updates.....

### Founder's Day 2008 A Success

The 110th celebration of Founder's Day was held on Saturday, June 28 at Centennial Park and, despite the inclement weather, was a huge success. Borough residents were treated to an afternoon of games, food, music and good old fashioned fun. Commemorative gift bags were handed out to all children to hold their treats and prizes.

Volunteer Sal DiLisio records the speed of the next "Jamie Moyer".

Borough Council extends a big thank you to all volunteers and businesses who donated their time, talents, and treasures to make this day a success.

### Revitalization Grant Awarded

The Montgomery County Department of Housing and Community Development has awarded the Borough of Hatfield a Grant of \$56,000 for the Liberty Bell Trolley Parking Lot Improvements Project Phase II. This phase of the Liberty Bell Trail will put the final touches on a "public" parking lot in the Core Commercial District. The scope of work funded under the 2008 Revitalization program includes additional lighting of the parking area, landscaping, and common signage. The project is located on the north side of Lincoln Avenue next to the Trolley Stop Deli.

The Montgomery County Revitalization Program provides money to assist municipalities in their revitalization, redevelopment and rebuilding.

## Dale Moyer Celebrates 50 Years

Dale Moyer was recently honored with a Resolution of Commendation by Borough Council for his 50 years of service to the community. Dale began his work as a barber in 1948 at 14 W. Broad Street under the employment of Titus "Skeets" Schrauger and acquired the business and residence in 1966. He continues to operate his one-man barber shop at the same location, cutting the hair of Borough residents, and making Hatfield a better place to live and work.

**Congratulations Dale!**

**The Hatfield Volunteer Fire Co. is in the process of putting together a Photo History Book of the Fire Company in preparation for their 100th anniversary in 2010. If anyone has any photos which are part of that history and would be willing to share them, please call the firehouse at 215-855-2121 and ask for Herman Goetter.**

*Photos will be copied and returned.*
