#### 1. Old Business

Business of the Month Recognition - Businesses that are being honored this month are Godshall's Auto Service, Hartnett's Heating and A/C, Hatfield Auto Museum and Life Storage.

Newsletter - The next addition of the newsletter will be focusing on electric power service and fire prevention week.

Quasquicentennial Celebration - Scheduled for June, 2023. The borough is looking at various fundraisers for this event including T-shirts, hoodies and other items. Also we may be starting a logo design contest for this event.

Upcoming Events - Heritage Park Cleanup scheduled for Saturday, October 29<sup>th</sup>. More details coming for Halloween Happy and the Christmas tree lighting ceremony.

#### 2. New Business

Financial Report - The committee financial report was presented and there was a slight increase in the account balance since the last meeting due to interest posting.

Fall Fest and Car Show Wrap Up - Turnout and the weather was good with 139 cars registered for the event. Franconia Auto collected money for various charities totaling about \$700. Vendor participation was somewhat disappointing; the committee will be looking at ways to increase vendor participation, perhaps considering inviting a brewery or winery to participate depending upon the logistics and PLCB regulations.

New Park Bench - A memorial park bench has been installed in Centennial Park which was totally paid for by the family of the individual.

To: Ms. Jaime E. Snyder, Manager, Hatfield Borough

pc: Ms. Katie Vlahos, Assistant to the Manager, Hatfield Borough

Mr. Steve Fickert, Public Works Director, Hatfield Borough

Ms. Kate Harper, Borough Solicitor

Hatfield Borough Council

From: Chad E. Camburn, P.E.

Subject: October 2022 Engineering Report

Bursich Project No. HAT-01/065075

The following is a highlighted list of recent activities for the Borough Council Meeting:

#### CAPITAL IMPROVEMENT PROJECTS:

#### 2022 ADA Ramp Replacement Project

The scope of work includes replacing thirteen ramps along E. School Street, Orchard Lane, Forest Way, and E. Lincoln Ave.; removing two existing ramps and replacing select sidewalk areas along E. Lincoln Ave.; replacing the driveway apron at 11 Market Street; installing new curbing at the intersection of Orchard Lane and Forest Way; and replacing select areas of sidewalk and driveway aprons along Lincoln Ave. The contract was awarded to Drumheller Construction Co., Inc. The Substantial Completion deadline is July 20, 2022, and the deadline to be Ready for Final Payment is August 19.

The work has been completed, and we are currently reviewing the contractor's As-built documents.

#### 2022 Roadway Resurfacing Project

The work includes milling and overlaying Poplar Street and E. Lincoln Avenue, and repairs to Towamencin Avenue. The contract was awarded to Blooming Glen Contractors, Inc. The contractor is required to have the work Substantially Complete by September 23, 2022 and be Ready for Final Payment by October 14, 2022.

The roads have been paved, and we are currently reviewing the finished work. We are also working with the contractor to obtain closeout documents.

#### Broad Street Storm Sewer & N. Main Street Storm and Sanitary Sewer Improvements

The project will replace the entire storm sewer system in West and East Broad Street and North Main Street, 280 LF of deteriorated 30"x52" CMP through private properties, and the entire sanitary sewer system in North Main Street. \$1.09M of the project will be funded with Commonwealth Financing Authority (CFA) Pa Small Water and Sewer and H2O PA grants. The NPWA will replace their water main from Towamencin Ave. to Main Street under the contract with the Borough's work. Once the work in E. Broad Street is complete PennDOT will mill and overlay E. Broad Street. While W. Broad Street is not currently on PennDOT's five-year plan for repaving, the Borough could attempt to have PennDOT add it as the construction scope and schedule develop.

Revised documents for the PennDOT Highway Occupancy Permit (HOP) were submitted on September 23, 2022. We are requesting a daily weekday detour to aid in construction safety and efficiency. The streets would be open for access to residences and businesses during construction hours, and would be reopened each day outside the construction times. We are continuing to work on the bid package and incorporating NPWA's plans and specifications.

As a condition of the Borough Zoning Hearing Board's Decision and Order for the development of 200 N. Main Street, the applicant will be required to install storm sewer from the property to the creek near the Post Office. We are coordinating with Borough staff to determine how this storm sewer installation may affect, or be combined with, the Broad Street and Main Street project, or if an alternate route is more appropriate considering the Borough intends to repave N. Main Street after the contract is complete.

#### SUBDIVISION / LAND DEVELOPMENT / PERMITS:

#### Bennetts Court (Prestige Building Partners Townhomes)

The application proposes the construction of 18 townhouse units in three buildings taking access off a new cul-de-sac street, partially comprising an area of undedicated E. Broad Street.

Our latest review letter was issued on August 31, 2022. At its meeting on September 21, 2022 Borough Council granted conditional Final Approval through Resolution No. 2022-29. We are currently awaiting revised documents to resolve the outstanding conditions.

#### 28 N. Market St. Minor Subdivision:

The project includes the subdivision of the property at 28 N. Market Street into two residential lots.

No Change from Previous Report - Preliminary/Final Approval was granted by Resolution No. 2022-19 at the July 20, 2022 Borough Council meeting. The applicant is working on finalizing the documents for recording.

#### 23 N. Main St. Sketch Plan:

The sketch plan includes the consolidation of two properties, and construction of a three-story 7,800 sf building consisting of offices on the first floor and 14 apartments on the second and third floors.

We are currently performing a cursory review of the sketch plan for compliance with Zoning Ordinance and general SALDO and engineering requirements and standards.

#### **MISCELLANEOUS:**

#### MS4:

The preliminary design of the Heather Meadows stormwater basin retrofit has been completed. The pathogen screening of the basin has also been completed and found that pathogens exist within the basin watershed. The annual report will now be submitted to the PaDEP for review.

## Extraterritorial Service Considerations for Municipal Electrics

By: Isaac Wakefield, Esq. & Idan Ghazanfari, Esq., Salzmann Hughes, P.C.

Most electric customers in Pennsylvania understand that their electricity comes from a public utility. Pennsylvania, however, uniquely allows boroughs to manufacture and supply electricity to ratepayers. Such borough electrics are not legally the same as public utilities and generally are not regulated by the Public Utility Commission. Accordingly, boroughs need not meet strict and costly administrative requirements that apply to utilities under the Commission's jurisdiction. This allows boroughs to provide their customers with a unique service opportunity that may be locally catered to specific needs and is more cost-effective.

One glaring exception must be kept in mind. Borough electrics can be considered public utilities when they provide service to customers beyond their corporate limits—this is sometimes referred to as "extraterritorial service." And being considered a public utility would subject the borough to Commission oversight as to its rates and service. It is therefore critical that a borough considering service to extraterritorial customers closely analyze whether doing so will create a situation where the Commission's jurisdiction will apply.

Unfortunately, there is no test based upon the number of customers served that will definitively answer that question. The exclusivity of service rather than the number of customers

served defines whether providing extraterritorial service qualifies a borough electric as a public utility. In simple terms, the service must not be furnished to or for the public. To avoid the Commission's jurisdiction, the borough must be providing service only to a defined, privileged, and limited group.

The Commission itself has issued a framework to lend some clarity on the matter. Boroughs engaging in extraterritorial service are not considered public utilities where: (1) the borough never held itself out as being engaged in the business of supplying utility services to the public beyond its municipal boundary; (2) the borough passed an ordinance stating that it would apply the same rules, regulations, and rates to its extraterritorial customers as it did to customers residing within limits; (3) the borough asserted that it would not repeal or modify the ordinance without advance notice to the Commission; and (4) the borough assured the Commission that it would not solicit or serve any additional extraterritorial customers beyond those already being served.

#### Service Considerations (continued)

The reasoning behind Commission control over extraterritorial service is to protect consumers' interests. For example, if a borough is providing extraterritorial service and elects to raise rates, what recourse would affected ratepayers have? They do not live in the borough and so they are without the otherwise available solution of voting for borough council members that would implement changes in policy. Instead, the Commission would provide oversight and protect the consumer under such a scenario. This is a laudable policy, but it can inflict onerous requirements on unsuspecting boroughs agreeing to provide this kind of service.

Serving new ratepayers beyond a borough's boundaries can have advantages. But those advantages can be met with drawbacks if they result in the borough becoming subject to the Commission's jurisdiction. So, borough electrics must maintain a "measure twice, cut once" mentality when electing to serve extraterritorial customers. Unintended consequences are not desirable. One option for boroughs is to seek a declaratory order from the Commission directly. Another helpful option is to pursue a legal opinion on the matter from an attorney experienced with extraterritorial issues.

#### **Annual Conference Highlights**

This year's annual conference was packed with the latest information about energy markets, supply chain challenges, and the new infrastructure funding. PMEA President and Chambersburg Manager, Jeffrey Stonehill, kicked off the conference at the opening reception on Wednesday evening.

Joy Ditto, President & CEO, American Public Power Association (APPA) kicked off Thursday with an update on the many issues facing public power. It was a busy year at the federal level for APPA and Joy touched on the new

infrastructure law (IIJA) and some of the provisions contained in the Inflation Reduction Act. Among the challenges facing our power systems, she noted that supply chain and workforce concerns top the list.

Craig Kleinhenz, Director of Power Supply Planning for AMP, shared insights on the latest with the energy markets and what public power might expect in the months ahead. He also discussed the increases in rates that the IOUs (investor-owned utilities) and how public power communities might want to weigh their own rate increases.

With the new federal infrastructure law and the money coming to states, state level experts shared overviews of how Pennsylvania is moving forward. Brandon Carson, Executive Director of the PA Broadband Development Authority (housed under DCED), discussed the state plan and the main components of broadband funding corning under the infrastructure law - Broadband Equity, Access, and Deployment (BEAD); Digital Equity Act; and Middle Mile Infrastructure.

Colton Brown, PA Department of Environmental Protection, and Shane Rice, PA Department of Transportation, discussed state initiatives relating to electric vehicles. The state recently adopted a plan for the placement of charging stations as required under the federal law. We will have more updates on the state plan in next month's newsletter. You can access the Commonwealth's National Electric Vehicle Infrastructure (NEVI)

plan here - About PA NEVI Plan. David Althoff, Director of the State Energy Programs Office (under DEP), also joined to share information about the draft of the state's grid infrastructure plan also required under the IIJA which is required for the federal flow of dollars to the state. We will have more on the state's grid plan in the next newsletter. The Energy Programs Office is expected to receive 88 million per year for 5 years to help in improving the all-hazards resilience of the electric grid and to prevent outages through: hardening of assets, real time control and coordination of system assets, and provision of tools for support modeling and analysis efforts.

#### Annual Conference (continued)

Joy Ditto and Jolene Thompson, President & CEO of AMP, joined Jeffrey Stonehill for a conversation about the past and the future of public power. Municipally owned and operated systems have been in existence for a long time, some as early as more than one hundred years ago. Both Ditto and Thompson felt that the challenges of supply chain and workforce would create the most pressure on systems as well as changing consumer demands and dynamics.

PMEA's James J. Havrilla Public Power Service Award was presented to Michael DeFinis, former manager of Hatfield and former PMEA board member. Named after James J. Havrilla, the award is presented to an individual who, throughout their career, has consistently demonstrated a commitment to public power. DeFinis was recognized for his many contributions to public power including his time serving on the PMEA board and assisting with the transition of the association a few years. He has been active at the state and national levels advocating for public power. As manager for Hatfield, he facilitated three major public power projects including the R.I.C.E. Program for Behind the Meter Generation, the Advanced Metering System, and backup generation for the largest electric customer in the Borough. DeFinis has been the recipient of the prestigious AMP Seven Hats Award and the APPA National Seven Hats Award.

Conference presentations can be found in the members section on the PMEA website. More on the conference in next month's newsletter...

Every year at the annual conference, attendees have an opportunity to visit with and learn more about the products and services of PMEA's associate members. This year, PMEA has published a directory of these companies and it is available to any PMEA member. If you were unable to attend the conference and would like a directory, please contact <a href="mailto:bosak@papublicpower.org">bosak@papublicpower.org</a>.

#### **Chambersburg Electric Department Promotion**

Chambersburg Council recently moved to promote Jeff Heverley to join Ron Pezon as Co-Directors of the Chambersburg Electric Department,

This is a unique situation made possible by the outstanding cooperation of these two management employees, the complexity of the Electric Department, and the support of the Town Council.

Ron Pezon (pictured on the right), PE, will continue in the capacity of Electric Department Director - Planning & Compliance.

Jeff Heverley (pictured on the left), PE, will be promoted to the capacity of Electric Department Director - Operations.

The two directors are both department heads. They will be working together with the Manager and Director of Utilities, Jeffrey Stonehill, and the Administrative Services Director, to manage the transition and the reorganization of the Electric Department over the next few months.

#### PMEA Public Power Services Program Still Available

To enhance the quality and range of services offered to our member municipalities, PMEA continues to offer the Public Power Services Program (PPSP). This program is open to all PMEA members for services related to public power only.

The PPSP is designed to provide legal, engineering, and/or management related services to PMEA members. PMEA is pleased to partner with Utility Engineers, the Meyner Center, and Salzmann Hughes for this range of services. All services requested must be public power related. Examples of possible project areas include systems design, operation

or management; electric rate studies; technology implementation; organizational assessment; financial analysis; electric systems billing and collection; power purchase agreements; and more.

Once the PMEA member municipality has the initial consultation and an estimate of costs for a specific project, the member may submit an additional request to PMEA to assist in funding a portion of the project costs. Members will submit the specific project and budget information to the PMEA executive director (via the form provided on the website). All requests will be considered by the PMEA Board. PMEA has established a separate fund for this program and all requests related to public power will be honored until the allocated funds are exhausted.

If your municipality has a specific project/service need that is public power related and can be addressed by one or more of our partner providers, it may be eligible. An application is available on the PMEA website - <a href="https://www.papublicpower.org/services">www.papublicpower.org/services</a>.

of Pennsylvania, acting through its proper officials ("MUNICIPALITY").

#### **RECITALS:**

WHEREAS, the General Assembly of the Commonwealth of Pennsylvania, pursuant to Act 235 of 1982, as amended, has appropriated funds to aid in the removal, rehabilitation or replacement of eligible bridges under the jurisdiction of eligible local governments; and,

WHEREAS, in addition, the General Assembly of the Commonwealth of Pennsylvania, pursuant to Act 26 of 1991, as amended, has provided for the distribution of tax revenues to eligible municipalities to use in offsetting their share of the costs of removing, rehabilitating or replacing eligible bridges; and,

WHEREAS, Section 12(b) of Act 235 of 1982, as amended, authorizes the retroactive reimbursement of municipalities for moneys raised or expended in anticipation of the receipt of funds for projects itemized by that Act; and,

WHEREAS, the MUNICIPALITY, in anticipation of the receipt of funds, proceeded with the bridge project described below; and,

WHEREAS, the MUNICIPALITY will now receive funds for the bridge project described below pursuant to Act 235 of 1982, as amended, and (if applicable) from Act 26 of 1991, as amended; and,

WHEREAS, it is necessary for the parties to enter into an agreement to outline their responsibilities.

NOW, THEREFORE, the parties, intending to be legally bound, agree to the following:

#### 1. INCORPORATION BY REFERENCE

The recitals set forth above are incorporated by reference as a material part of this Agreement.

#### 2. GENERAL PROVISIONS

The MUNICIPALITY has completed the preliminary engineering, final design, utility relocation, right-of-way acquisition and construction, as outlined in this Agreement, for the Lincoln Avenue bridge

OVET West Branch of Neshaminy Creek ("Project")

in accordance with plans, policies, procedures and specifications prepared or approved by the DEPARTMENT, and with the conditions of this Agreement. The final Project cost breakdown is attached as Exhibit "A" and made a part of this Agreement.

#### 3. DESIGN

The MUNICIPALITY, with its own forces or by contract, has performed the design of the Project consisting of both preliminary engineering, including environmental studies, and final design activities. The DEPARTMENT's District Bridge Engineer has approved the bridge design plans for structural adequacy.

#### 4. PERMITS AND LICENSES

The MUNICIPALITY is responsible for securing all necessary approvals, permits and licenses, from all other governmental agencies, as may have been required to complete the Project. This obligation includes preparing or revising environmental reports or other documents such as environmental impact statements, environmental assessments or categorical exclusions required by law, environmental litigation or both; and the defense of environmental litigation resulting from the planning, design or construction of the Project.

#### 5. UTILITY CONSIDERATIONS

If any affected utility claims that the MUNICIPALITY is responsible for reimbursing the affected utility for its utility relocation costs pursuant to applicable state or local laws, the MUNICIPALITY shall furnish the DEPARTMENT with Form 4181-A, *Preliminary Estimate for Utility Relocation*. The utility shall prepare the form, which shall be accompanied by documentation justifying the MUNICIPALITY's legal obligation to reimburse the utility for utility relocation costs actually incurred by the utility. The DEPARTMENT, after review and approval of the cost estimates and documentation, will draft the necessary reimbursement agreement into which the MUNICIPALITY and the utility will enter. The DEPARTMENT will submit the agreement to the MUNICIPALITY for execution by the parties.

#### 6. APPLICATION TO PENNSYLVANIA PUBLIC UTILITY COMMISSION

If the Project is a rail-highway crossing under the jurisdiction of the Pennsylvania Public Utility Commission ("PUC"), the DEPARTMENT and the MUNICIPALITY agree to the following:

(a) The DEPARTMENT shall apply any costs contributed voluntarily by a railroad or allocated to the railroad by the PUC to help defray the cost of the Project to the

MUNICIPALITY's share of the Project cost. If the railroad share exceeds the MUNICIPALITY's share, the excess shall be applied to the DEPARTMENT's share.

- (b) If the PUC allocates costs to a railroad, and the railroad does not voluntarily agree to contribute the costs allocated to it by the PUC, those costs shall be shared as specified in Paragraph 10 of the Agreement.
- (c) If the PUC allocates costs to the DEPARTMENT in excess of the DEPARTMENT's share provided for in Paragraph 10 of this Agreement, the MUNICIPALITY agrees to pay those excess costs.

#### 7. RIGHT-OF-WAY ACQUISITION

The MUNICIPALITY certifies that it acquired all right-of-way necessary to construct this Project in accordance with all of the applicable state laws, policies and procedures pertinent to right-of-way acquisition and the most current version of DEPARTMENT Publication No. 740, Local Project Delivery Manual.

#### 8. AVAILABILITY OF MUNICIPAL FUNDS

The MUNICIPALITY, by executing this Agreement, certifies that it has on hand sufficient funds to meet all of its obligations under the terms of this Agreement. Further, the MUNICIPALITY, and not the DEPARTMENT, shall bear and provide for all costs incurred in excess of those costs eligible under Act 235 of 1982 and (if applicable) Act 26 of 1991, both as amended.

#### 9. CONSTRUCTION

(a) The MUNICIPALITY certifies that, with its own forces or by contract, it has completed all work involved with advertising, bidding and awarding the contract

for the Project and has provided staff to adequately inspect and supervise all work in accordance with all applicable state laws and requirements, including, but not limited to, those outlined in the most current version of DEPARTMENT Publication No. 9, Policies and Procedures for the Administration of the County Liquid Fuels Tax Act of 1931 and the Liquid Fuels Tax Act 655 Dated 1956 and as Amended.

(b) The DEPARTMENT has viewed the completed Project and found it to be in general conformance with the plans and specifications.

#### 10. PAYMENT PROCEDURES AND RESPONSIBILITIES

- (a) The MUNICIPALITY shall submit to the DEPARTMENT separate, final, certified invoices for the following items:
  - (i) Allowable costs for work performed by the MUNICIPALITY's forces on the Project;
  - (ii) Work performed on the Project by the MUNICIPALITY's consultants or contractors; and
  - (iii) Allowable costs incurred in the acquisition of right-of-way and utility relocations.
- (b) The DEPARTMENT shall pay the MUNICIPALITY for all but the MUNICIPALITY's share of the total allowable Project costs for preliminary engineering, final design, utility relocation, right-of-way acquisition and construction costs. Refer to Exhibit "A" for final Project cost breakdown by dollar amounts and percentages.

- (c) The MUNICIPALITY shall be responsible for costs not reimbursed by the DEPARTMENT with state funds, including, but not limited to, the following:
  - (i) Any and all costs relating to or resulting from changes made to the approved plans or specifications;
  - (ii) Time delays and extensions of time or termination of construction work;
  - (iii) Interest for late payments;
  - (iv) Interest incurred by borrowing money;
  - (v) Unforeseen right-of-way and other property damages and costs resulting from the acquisition or condemnation, or both, of lands for the Project or the construction of the improvements;
  - (vi) Unforeseen utility relocation costs;
  - (vii) Unforeseen costs for environmental litigation and reports; and
  - (viii) All other unforeseen costs and expenses not included in the estimates of preliminary engineering, final design, utility relocation, construction, and right-of-way acquisition costs, but which are directly related to or caused by the planning, design or construction of the Project.
- (d) If the DEPARTMENT determines that, pursuant to this Agreement, the MUNICIPALITY is ineligible for reimbursement of any of the costs submitted under subparagraphs (a) or (b) above, the DEPARTMENT will delete those costs from the invoices and not reimburse the MUNICIPALITY for those costs. If the DEPARTMENT has already reimbursed the MUNICIPALITY for these costs, the MUNICIPALITY shall return the reimbursement to the DEPARTMENT within sixty (60) days of receipt of a statement from the DEPARTMENT. If the

MUNICIPALITY fails to return the reimbursement within the time period set forth, the MUNICIPALITY authorizes the DEPARTMENT to withhold so much of the MUNICIPALITY's Liquid Fuels Tax Fund allocation as may be necessary to reimburse the DEPARTMENT in full for all costs due.

(e) For services performed by the DEPARTMENT, including, but not limited to, all required contract development, liaison and supervisory services, the MUNICIPALITY shall directly reimburse the DEPARTMENT for the MUNICIPALITY's share of the DEPARTMENT's incurred costs. The estimated cost of these services and the MUNICIPALITY's share, by dollar amounts and percentages, are set forth in Exhibit "A."

#### 11. RECORDS

The MUNICIPALITY shall maintain, and shall require its consultants and contractors to maintain, all books, documents, papers, records, supporting cost proposals, accounting records, employees' time cards, payroll records and other evidence pertaining to costs incurred in the Project and shall make these materials available at all reasonable times during the contract period and for three (3) years beyond the termination of this Agreement, for inspection or audit by the DEPARTMENT or any other authorized representatives of the Commonwealth; and copies thereof shall be furnished, if requested. Time records for personnel performing any work shall account for direct labor performed on the Project as well as the time of any personnel included in the computation of overhead costs. In addition, the MUNICIPALITY shall keep, and shall require its consultants or contractors, as applicable, to keep, a complete record of time for personnel assigned part-time to the Project. A record of time limited to only their work on this Project will not be acceptable.

#### 12. MAINTENANCE AND OPERATION OF THE FACILITY

- (a) The MUNICIPALITY, at its sole cost and expense, shall operate and maintain all of the completed improvements financed under this Agreement that fall under its jurisdiction. The MUNICIPALITY shall establish a formalized maintenance program to ensure an acceptable level of physical integrity and operation consistent with original design standards. The MUNICIPALITY hereby certifies that it shall make available sufficient funds to provide for the described maintenance program. This maintenance program shall include, but not be limited to the following activities:
  - (i) Periodic inspections in accordance with National Bridge Inspection Standards;
  - (ii) Appropriate preventative maintenance;
  - (iii) A systematic record-keeping system; and
  - (iv) A means to handle the notification and implementation of emergency repairs.
- (b) The MUNICIPALITY acknowledges that the DEPARTMENT may disqualify the MUNICIPALITY from future state participation on MUNICIPALITY-maintained projects if the MUNICIPALITY fails to:
  - (i) Provide for the proper maintenance and operation of the completed improvements; or
  - (ii) Maintain and enforce compliance with any statutes, regulations or ordinances under its jurisdiction necessary for the operation of the improvements.

- (c) The MUNICIPALITY agrees that the DEPARTMENT shall withhold state funds until the MUNICIPALITY has corrected the maintenance and operation services to a condition of maintenance and operation satisfactory to the DEPARTMENT.
- (d) This Agreement is without prejudice to the right of the MUNICIPALITY to receive reimbursement for maintenance costs from any railroad or party other than the DEPARTMENT, if so ordered by the PUC, where a rail-highway crossing bridge is under the jurisdiction of the PUC.

#### 13. SAVE HARMLESS

The MUNICIPALITY shall indemnify, save harmless and defend (if requested) the Commonwealth of Pennsylvania, the DEPARTMENT, and all of their officers, agents and employees, from all suits, actions or claims of any character, name or description, relating to personal injury, including death, or property damage, arising out of the preliminary engineering, final design, right-of-way acquisition, utility relocation, construction, operation or maintenance of the Project improvements, by the MUNICIPALITY, its consultants or contractors, their officers, agents and employees, whether the same be due to the use of defective materials, defective workmanship, neglect in safeguarding the work, or by or on account of any act, omission, neglect or misconduct of the MUNICIPALITY, its consultants or contractors, their officers, agents and employees, during the performance of the work or thereafter, or to any other cause whatever.

#### 14. MUNICIPAL CERTIFICATION

The MUNICIPALITY certifies that all designs, plans, specifications, estimates of cost, construction, utility relocation work, right-of-way acquisition procedures, acceptance of the work

and procedures in general, have at all times conformed to all applicable state laws, rules, regulations, orders and approvals, including specifically the procedures and requirements relating to labor standards, equal employment opportunity, nondiscrimination, antisolicitation, information, and reporting provisions. The MUNICIPALITY has complied, and certifies that it caused its consultants and contractors to comply, with the conditions set forth in the current version of the *Commonwealth Nondiscrimination/Sexual Harassment Clause*, which is attached as Exhibit "B" and made a part of this Agreement. As used in this clause, the term "Contractor" means the MUNICIPALITY.

#### 15. DEFAULT CLAUSE

If the MUNICIPALITY fails to perform any of the terms, conditions or provisions of this Agreement, including, but not limited to, any default of payment for a period of forty-five (45) days, the MUNICIPALITY authorizes the DEPARTMENT to withhold so much of the MUNICIPALITY's Liquid Fuels Tax Fund allocation as may be necessary to complete the Project or reimburse the DEPARTMENT in full for all costs due under this Agreement; and the MUNICIPALITY hereby authorizes the DEPARTMENT to withhold such amount and to apply such funds, or portions thereof, to remedy such default.

#### 16. CONTRACTOR INTEGRITY PROVISIONS

The MUNICIPALITY has complied, and certifies that it caused its consultants and contractors to comply, with the current version of the *Contractor Integrity Provisions*, which are attached as Exhibit "C" and made a part of this Agreement. As used in these provisions, the term "Contractor" means the MUNICIPALITY.

#### 17. OFFSET PROVISION

The MUNICIPALITY agrees that the Commonwealth of Pennsylvania ("Commonwealth") may set off the amount of any state tax liability or other obligation of the MUNICIPALITY or its subsidiaries to the Commonwealth against any payments due the MUNICIPALITY under any contract with the Commonwealth.

#### 18. TERMINATION OF AGREEMENT FOR LACK OF FUNDS

The DEPARTMENT may terminate this Agreement if the DEPARTMENT does not receive the necessary state funds allotted for the purpose stated in this Agreement. Termination shall become effective as of the termination date specified in the DEPARTMENT's written notice of termination to the MUNICIPALITY specifying the reason for termination. The DEPARTMENT shall reimburse the MUNICIPALITY for all eligible work performed under this Agreement up to the date of the notice of termination, or such other date that the notice of termination shall specify.

#### 19. PROVISIONS CONCERNING THE AMERICANS WITH DISABILITIES ACT

The Contractor agrees:

- In the hiring of any employee(s) for the manufacture of supplies, performance of work, or any other activity required under the contract or any subcontract, the Contractor, each subcontractor, or any person acting on behalf of the Contractor or subcontractor shall not discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the Pennsylvania Human Relations Act (PHRA) and applicable federal laws, against any citizen of this commonwealth who is qualified and available to perform the work to which the employment relates.
- 2. Neither the Contractor nor any subcontractor nor any person on their behalf shall in any manner discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the PHRA and applicable federal laws, against or intimidate any employee involved in the manufacture of supplies, the performance of work, or any other activity required under the contract.
- 3. Neither the Contractor nor any subcontractor nor any person on their behalf shall in any manner discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the PHRA and applicable federal laws, in the provision of services under the contract.
- 4. Neither the Contractor nor any subcontractor nor any person on their behalf shall in any manner discriminate against employees by reason of participation in or decision to refrain from participating in labor activities protected under the *Public Employee Relations Act*, *Pennsylvania Labor Relations Act* or *National Labor Relations Act*, as applicable and to the extent determined by entities charged with such Acts' enforcement, and shall comply with any provision of law establishing organizations as employees' exclusive representatives.
- The Contractor and each subcontractor shall establish and maintain a written nondiscrimination and sexual harassment policy and shall inform their employees in writing of the policy. The policy must contain a provision that sexual harassment will not be tolerated and employees who practice it will be disciplined. Posting this Nondiscrimination/Sexual Harassment Clause conspicuously in easily-accessible and well-lighted places customarily frequented by employees and at or near where the contracted services are performed shall satisfy this requirement for employees with an established work site.
- **6.** The Contractor and each subcontractor shall not discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of PHRA and applicable federal laws, against any subcontractor or supplier who is qualified to perform the work to which the contract relates.
- 7. The Contractor and each subcontractor represents that it is presently in compliance with and will maintain compliance with all applicable federal, state, and local laws, regulations and policies relating to nondiscrimination and sexual harassment. The Contractor and each subcontractor further represents that it has filed a Standard Form 100 Employer Information Report ("EEO-1") with the U.S. Equal Employment

Opportunity Commission ("EEOC") and shall file an annual EEO-1 report with the EEOC as required for employers' subject to *Title VII* of the *Civil Rights Act of 1964*, as amended, that have 100 or more employees and employers that have federal government contracts or first-tier subcontracts and have 50 or more employees. The Contractor and each subcontractor shall, upon request and within the time periods requested by the commonwealth, furnish all necessary employment documents and records, including EEO-1 reports, and permit access to their books, records, and accounts by the contracting agency and the Bureau of Diversity, Inclusion and Small Business Opportunities for purpose of ascertaining compliance with provisions of this Nondiscrimination/Sexual Harassment Clause.

- **8.** The Contractor shall include the provisions of this Nondiscrimination/Sexual Harassment Clause in every subcontract so that those provisions applicable to subcontractors will be binding upon each subcontractor.
- The Contractor's and each subcontractor's obligations pursuant to these provisions are ongoing from and after the effective date of the contract through the termination date thereof. Accordingly, the Contractor and each subcontractor shall have an obligation to inform the commonwealth if, at any time during the term of the contract, it becomes aware of any actions or occurrences that would result in violation of these provisions.
- 10. #### CONTRACTOR INTEGRITY PROVISIONS

It is essential that those who seek to contract with the Commonwealth of Pennsylvania ("Commonwealth") observe high standards of honesty and integrity. They must conduct themselves in a manner that fosters public confidence in the integrity of the Commonwealth contracting and procurement process.

- **1. DEFINITIONS.** For purposes of these Contractor Integrity Provisions, the following terms shall have the meanings found in this Section:
  - **a.** "Affiliate" means two or more entities where (a) a parent entity owns more than fifty percent of the voting stock of each of the entities; or (b) a common shareholder or group of shareholders owns more than fifty percent of the voting stock of each of the entities; or (c) the entities have a common proprietor or general partner.
  - **b.** "Consent" means written permission signed by a duly authorized officer or employee of the Commonwealth, provided that where the material facts have been disclosed, in writing, by prequalification, bid, proposal, or contractual terms, the Commonwealth shall be deemed to have consented by virtue of the execution of this contract.
  - **c.** "Contractor" means the individual or entity, that has entered into this contract with the Commonwealth.
  - **d.** "Contractor Related Parties" means any affiliates of the Contractor and the Contractor's executive officers, Pennsylvania officers and directors, or owners of 5 percent or more interest in the Contractor.
  - e. "Financial Interest" means either:
    - (1) Ownership of more than a five percent interest in any business; or
    - (2) Holding a position as an officer, director, trustee, partner, employee, or holding any position of management.
  - **f.** "**Gratuity**" means tendering, giving, or providing anything of more than nominal monetary value including, but not limited to, cash, travel, entertainment, gifts, meals, lodging, loans, subscriptions, advances, deposits of money, services, employment, or contracts of any kind. The exceptions set forth in the <u>Governor's Code of Conduct</u>, <u>Executive Order 1980-18</u>, the 4 Pa. Code §7.153(b), shall apply.
  - **g.** "Non-bid Basis" means a contract awarded or executed by the Commonwealth with Contractor without seeking bids or proposals from any other potential bidder or offeror.
- 2. In furtherance of this policy, Contractor agrees to the following:
  - **a.** Contractor shall maintain the highest standards of honesty and integrity during the performance of this contract and shall take no action in violation of state or federal laws or regulations or any other applicable laws or regulations, or other requirements applicable to Contractor or that govern contracting or procurement with the Commonwealth.

EXHIBIT C

- b. Contractor shall establish and implement a written business integrity policy, which includes, at a minimum, the requirements of these provisions as they relate to the Contractor activity with the Commonwealth and Commonwealth employees and which is made known to all Contractor employees. Posting these Contractor Integrity Provisions conspicuously in easily-accessible and well-lighted places customarily frequented by employees and at or near where the contract services are performed shall satisfy this requirement.
- c. Contractor, its affiliates, agents, employees and anyone in privity with Contractor shall not accept, agree to give, offer, confer, or agree to confer or promise to confer, directly or indirectly, any gratuity or pecuniary benefit to any person, or to influence or attempt to influence any person in violation of any federal or state law, regulation, executive order of the Governor of Pennsylvania, statement of policy, management directive or any other published standard of the Commonwealth in connection with performance of work under this contract, except as provided in this contract.
- d. Contractor shall not have a financial interest in any other contractor, subcontractor, or supplier providing services, labor, or material under this contract, unless the financial interest is disclosed to the Commonwealth in writing and the Commonwealth consents to Contractor's financial interest prior to Commonwealth execution of the contract. Contractor shall disclose the financial interest to the Commonwealth at the time of bid or proposal submission, or if no bids or proposals are solicited, no later than Contractor's submission of the contract signed by Contractor.
- **e.** Contractor certifies to the best of its knowledge and belief that within the last five (5) years Contractor or Contractor Related Parties have not:
  - (1) been indicted or convicted of a crime involving moral turpitude or business honesty or integrity in any jurisdiction;
  - (2) been suspended, debarred or otherwise disqualified from entering into any contract with any governmental agency;
  - (3) had any business license or professional license suspended or revoked;
  - (4) had any sanction or finding of fact imposed as a result of a judicial or administrative proceeding related to fraud, extortion, bribery, bid rigging, embezzlement, misrepresentation or anti-trust; and
  - (5) been, and is not currently, the subject of a criminal investigation by any federal, state or local prosecuting or investigative agency and/or civil anti-trust investigation by any federal, state or local prosecuting or investigative agency.

If Contractor cannot so certify to the above, then it must submit along with its bid, proposal or contract a written explanation of why such certification cannot be made and the Commonwealth will determine whether a contract may be entered into with the Contractor. The Contractor's obligation pursuant to this certification is ongoing from and after the effective date of the contract through the termination date thereof. Accordingly, the Contractor shall have an obligation to immediately notify the Commonwealth in writing if at any time during the term of the contract if becomes aware of any event which would cause the Contractor's certification or explanation to change. Contractor acknowledges that the Commonwealth may, in its sole discretion, terminate the contract for cause if it learns that any of the certifications made herein are currently false due to intervening factual circumstances or were false or should have been known to be false when entering into the contract.

- **f.** Contractor shall comply with the requirements of the *Lobbying Disclosure Act (65 Pa.C.S. §13A01 et seq.)* regardless of the method of award. If this contract was awarded on a Non-bid Basis, Contractor must also comply with the requirements of the *Section 1641 of the Pennsylvania Election Code (25 P.S. §3260a).*
- **g.** When Contractor has reason to believe that any breach of ethical standards as set forth in law, the Governor's Code of Conduct, or these Contractor Integrity Provisions has occurred or may occur, including but not limited to contact by a Commonwealth officer or employee which, if acted upon, would violate such ethical standards, Contractor shall immediately notify the Commonwealth contracting officer or the Office of the State Inspector General in writing.
- h. Contractor, by submission of its bid or proposal and/or execution of this contract and by the submission of any bills, invoices or requests for payment pursuant to the contract, certifies and represents that it has not violated any of these Contractor Integrity Provisions in connection with the submission of the bid or proposal, during any contract negotiations or during the term of the contract, to include any extensions thereof. Contractor shall immediately notify the Commonwealth in writing of any actions for occurrences that would result in a violation of these Contractor Integrity Provisions. Contractor agrees to reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of the State Inspector General for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the Commonwealth that results in the suspension or debarment of the Contractor. Contractor shall not be responsible for investigative costs for investigations that do not result in the Contractor's suspension or debarment.
- i. Contractor shall cooperate with the Office of the State Inspector General in its investigation of any alleged Commonwealth agency or employee breach of ethical standards and any alleged Contractor non-compliance with these Contractor Integrity Provisions. Contractor agrees to make identified Contractor employees available for interviews at reasonable times and places. Contractor, upon the inquiry or request of an Inspector General, shall provide, or if appropriate, make promptly available for inspection or copying, any information of any type or form deemed relevant by the Office of the State Inspector General to Contractor's integrity and compliance with these provisions. Such information may include, but shall not be limited to, Contractor's business or financial records, documents or files of any type or form that refer to or concern this contract. Contractor shall incorporate this paragraph in any agreement, contract or subcontract it enters into in the course of the performance of this contract/agreement solely for the purpose of obtaining subcontractor compliance with this provision. The incorporation of this provision in a subcontract shall not create privity of contract between the Commonwealth and any such subcontractor, and no third party beneficiaries shall be created thereby.
- j. For violation of any of these Contractor Integrity Provisions, the Commonwealth may terminate this and any other contract with Contractor, claim liquidated damages in an amount equal to the value of anything received in breach of these Provisions, claim damages for all additional costs and expenses incurred in obtaining another contractor to complete performance under this contract, and debar and suspend Contractor from doing business with the Commonwealth. These rights and remedies are cumulative, and the use or non-use of any one shall not preclude the use of all or any other. These rights and remedies are in addition to those the Commonwealth may have under law, statute, regulation, or otherwise.

#### PROVISIONS CONCERNING THE AMERICANS WITH DISABILITIES ACT

For the purpose of these provisions, the term contractor is defined as any person, including, but not limited to, a bidder, offeror, supplier, or grantee, who will furnish or perform or seeks to furnish or perform, goods, supplies, services, construction or other activity, under a purchase order, contract, or grant with the Commonwealth of Pennsylvania (Commonwealth).

As a condition of accepting and executing this agreement, the contractor agrees to comply with the "General Prohibitions Against Discrimination," 28 C. F. R. § 35.130, and all other regulations promulgated under Title II of the Americans with Disabilities Act which are applicable to the benefits, services, programs, and activities provided by the Commonwealth through contracts with outside contractors.
- 2. The contractor shall be responsible for and agrees to indemnify and hold harmless the Commonwealth from all losses, damages, expenses, claims, demands, suits, and actions brought by any party against the Commonwealth as a result of the contractor's failure to comply with the provisions of paragraph 1.

#### **Contractor Responsibility Provisions**

#### (December 2020)

For the purpose of these provisions, the term Contractor is defined as any person, including, but not limited to, a bidder, offeror, loan recipient, grantee or lessor, who has furnished or performed or seeks to furnish or perform, goods, supplies, services, leased space, construction or other activity, under a contract, grant, lease, purchase order or reimbursement agreement with the Commonwealth of Pennsylvania (Commonwealth). The term Contractor includes a permittee, licensee, or any agency, political subdivision, instrumentality, public authority, or other public entity in the Commonwealth.

- 1. The Contractor certifies, in writing, for itself and its subcontractors required to be disclosed or approved by the Commonwealth, that as of the date of its execution of this Bid/Contract, that neither the Contractor, nor any such subcontractors, are under suspension or debarment by the Commonwealth or any governmental entity, instrumentality, or authority and, if the Contractor cannot so certify, then it agrees to submit, along with its Bid/Contract, a written explanation of why such certification cannot be made.
- 2. The Contractor also certifies, in writing, that as of the date of its execution of this Bid/Contract it has no tax liabilities or other Commonwealth obligations, or has filed a timely administrative or judicial appeal if such liabilities or obligations exist, or is subject to a duly approved deferred payment plan if such liabilities exist.
- **3.** The Contractor's obligations pursuant to these provisions are ongoing from and after the effective date of the Contract through the termination date thereof. Accordingly, the Contractor shall have an obligation to inform the Commonwealth if, at any time during the term of the Contract, it becomes delinquent in the payment of taxes, or other Commonwealth obligations, or if it or, to the best knowledge of the Contractor, any of its subcontractors are suspended or debarred by the Commonwealth, the federal government, or any other state or governmental entity. Such notification shall be made within 15 days of the date of suspension or debarment.
- **4.** The failure of the Contractor to notify the Commonwealth of its suspension or debarment by the Commonwealth, any other state, or the federal government shall constitute an event of default of the Contract with the Commonwealth.
- **5.** The Contractor agrees to reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of State Inspector General for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the Commonwealth that results in the suspension or debarment of the contractor. Such costs shall include, but shall not be limited to, salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees. The Contractor shall not be responsible for investigative costs for investigations that do not result in the Contractor's suspension or debarment.
- **6.** The Contractor may search the current list of suspended and debarred Commonwealth contractors by visiting the eMarketplace website at <a href="http://www.emarketplace.state.pa.us">http://www.emarketplace.state.pa.us</a> and clicking the Debarment List tab.

#### Contract Provisions - Right to Know Law

- a. The Pennsylvania Right-to-Know Law, 65 P.S. §§ 67.101-3104, ("RTKL") applies to this Contract. For the purpose of these provisions, the term "the Commonwealth" shall refer to the contracting Commonwealth agency.
- b. If the Commonwealth needs the Contractor's assistance in any matter arising out of the RTKL related to this Contract, it shall notify the Contractor using the legal contact information provided in this Contract. The Contractor, at any time, may designate a different contact for such purpose upon reasonable prior written notice to the Commonwealth.
- c. Upon written notification from the Commonwealth that it requires the Contractor's assistance in responding to a request under the RTKL for information related to this Contract that may be in the Contractor's possession, constituting, or alleged to constitute, a public record in accordance with the RTKL ("Requested Information"), the Contractor shall:
  - 1. Provide the Commonwealth, within ten (10) calendar days after receipt of written notification, access to, and copies of, any document or information in the Contractor's possession arising out of this Contract that the Commonwealth reasonably believes is Requested Information and may be a public record under the RTKL; and
  - 2. Provide such other assistance as the Commonwealth may reasonably request, in order to comply with the RTKL with respect to this Contract.
- d. If the Contractor considers the Requested Information to include a request for a Trade Secret or Confidential Proprietary Information, as those terms are defined by the RTKL, or other information that the Contractor considers exempt from production under the RTKL, the Contractor must notify the Commonwealth and provide, within seven (7) calendar days of receiving the written notification, a written statement signed by a representative of the Contractor explaining why the requested material is exempt from public disclosure under the RTKL.
- e. The Commonwealth will rely upon the written statement from the Contractor in denying a RTKL request for the Requested Information unless the Commonwealth determines that the Requested Information is clearly not protected from disclosure under the RTKL. Should the Commonwealth determine that the Requested Information is clearly not exempt from disclosure, the Contractor shall provide the Requested Information within five (5) business days of receipt of written notification of the Commonwealth's determination.
- f. If the Contractor fails to provide the Requested Information within the time period required by these provisions, the Contractor shall indemnify and hold the Commonwealth harmless for any damages, penalties, costs, detriment or harm that the Commonwealth may incur as a result of the Contractor's failure, including any statutory damages assessed against the Commonwealth.

- g. The Commonwealth will reimburse the Contractor for any costs associated with complying with these provisions only to the extent allowed under the fee schedule established by the Office of Open Records or as otherwise provided by the RTKL if the fee schedule is inapplicable.
- h. The Contractor may file a legal challenge to any Commonwealth decision to release a record to the public with the Office of Open Records, or in the Pennsylvania Courts, however, the Contractor shall indemnify the Commonwealth for any legal expenses incurred by the Commonwealth as a result of such a challenge and shall hold the Commonwealth harmless for any damages, penalties, costs, detriment or harm that the Commonwealth may incur as a result of the Contractor's failure, including any statutory damages assessed against the Commonwealth, regardless of the outcome of such legal challenge. As between the parties, the Contractor agrees to waive all rights or remedies that may be available to it as a result of the Commonwealth's disclosure of Requested Information pursuant to the RTKL.
- i. The Contractor's duties relating to the RTKL are continuing duties that survive the expiration of this Contract and shall continue as long as the Contractor has Requested Information in its possession.

Dear Hatfield Borough Council:

Once again Grace Evangelical Lutheran Church is working to continue the tradition that the Hatfield Chamber of Commerce started many years ago. The annual Christmas Tree Lighting will be held on December 3rd at 6:30 pm. We would like to request the usage of Railroad Plaza for this event.

The day will kick off with Pets Pictures With Santa at Grace between 2:30 pm through 4:30 pm,. It will be followed at 5 pm with refreshments, games and crafts at Grace's Fellowship Hall and in their hallways. There is an outdoor area that can be used for seating for those that are uncomfortable eating inside. We hope that Philly Espresso will provide the hot chocolate and coffee and there will be cookies to go. At 6 pm the crowd will be encouraged to move to the Plaza where the tree lighting will be held at 6:30 pm. There will be caroling, an introduction and an invocation as well.

Cub Pack 510 and a local Boy Scout Troop will be helping with the games, craft and of course leading people to see the tree lighting. This year Santa will wave a magic candy cane and throw pixie dust to light the tree. After the tree is lit, pictures can be taken with Santa - outside. We understand that some families will be disappointed that we are not returning to the firehouse, but Santa and the committee believe it continues to be too much of a health risk. In the event of inclement weather, the tree will be lit virtually in Fellowship Hall at Grace.

Volunteers at Grace were pleased to host this wonderful holiday tradition for the Borough and the Township that we love. As one person told us, "It is a real Hallmark moment." We couldn't agree more.

Thank you for your consideration

Sincerely,

Peggy Schmidt

Chairman HEART Committe
