5. Public Hearing for Ordinance No. 550 Chickens: Amending Chapter 2 & Chapter 27

**ORDINANCE NO. 550
PROCEEDINGS**

PRESIDENT JASON FERGUSON: We will now have a Public Hearing for Ordinance No. 550 Chickens, Amending Chapter 2 & Chapter 27. This hearing was duly advertised.

SOLICITOR CATHERINE HARPER: I would like to open the hearing on the Ordinance regarding chickens, I am going to give a brief explanation in legal terms because the committee worked really hard on this and they might have things that want to add to it. Currently, the Borough Ordinance prohibits the keeping of livestock and farm animals in the borough. However, that would prohibit poultry chickens, what this new ordinance does is leaves that section in there but it says but except as permitted below for chickens. Then when you get to the part about chickens which is below, the committee did a really good job setting forth where, when and how you can have chickens in the borough. They are limited in the numbers, where they can be and they have to be kept in an enclosure, secured fenced in areas and there is a number of things that they have to do. It also outlaws public slaughter of chickens. The committee also requested that this be allowed only in the Residential Districts, R1, R2 and R3. This was advertised as an amendment to the zoning ordinance in addition to the fact that it is part of your general ordinance. The ordinance does two things, it adds the permitted used to the R1, R2 and R3 districts if you want to have chickens at your house and then it tells you how to have to raise them. That is the basic outline from a legal point of view of the ordinance that is being previewed this evening.

PRESIDENT JASON FERGUSON: Madam Solicitor can you go through what the R1, R2 and R3 mean?

SOLICITOR CATHERINE HARPER: Those are residential districts in the Borough, for example R1, R2 and R3 is actually most of the Borough. You have other districts that is not part of this, this could be an overlay. The idea is not to have them running around Main Street or Broad Street, the chickens get loose. The idea is if people want to have them as a pet or a hobby or something that they want to do on their residential properties that are in a residentially zoned district. The ordinance does require a permit, so if anyone is listening and they want to have chickens they have to come into the Borough and apply for a permit. When they apply for the permit the zoning officer will check the zoning map to make sure they are in the right district. You also have to have some training with chickens, you have to take a course or know what you are doing some other way. They are live animals and not all of us grew up with chickens at home so you need to know that before you take on to have chickens. I don't know if the committee wanted to add anything to this or not.

COUNCILMEMBER LAWRENCE STEVENS: It has been the last couple of years that there has been a growing interest expressed in having chickens and this ordinance while allowing chickens also hopefully does not create any problems with neighbors as well. We think this is a good compromise to allowing chickens without disturbing neighbors.

SOLICITOR CATHERINE HARPER: Right, I should have said that the ordinance does not allow roosters. In general, when chickens disturb neighbors, it is because the roosters make too much noise too early in the morning.

COUNCILMEMBER MICHELLE KROESSER: Correct, I just think that this was a nice project to work with you with. I mean we went through a lot of different ordinances and I think that we picked the best for Hatfield Borough.

COUNCILMEMBER RICHARD GIRARD: I just have one question and that is the price of eggs has dropped and looking down the road in the event that things go south again and prices start rising we may be approached for variances to say hey I know you only allow x number of chickens but would it be possible for where we live to get another half a dozen. What do we have to do to consider a variance like that, would it be similar to a zoning variance or how would we get around that? Would we refuse outright or we would have to review if someone protest?

SOLICITOR CATHERINE HARPER: that is a very good question, and here is the good news, because we added it to the zoning ordinance and the language is specific it says "keeping of domesticated chickens in accordance with Section 2-101.3 in R1, R2 and R3 we converted it to a zoning ordinance. So that means normally when we police our ordinance someone will come in here and as you to amend the ordinance because you don't have the power to grant variance to some and not others. When it is a zoning ordinance, they go to the zoning hearing board and they convince the zoning hearing board that whatever they are asking for is reasonable and doesn't change the character of the neighborhood which is one if the standard that the zoning hearing applies then they can get it on an individual basis. Each zoning case is individual, so that problem would be the zoning hearing boards problem. I actually think we just lucked out in that, we were not going to originally put it in zoning

districts we were just going to allow it anywhere and by added it to the zoning ordinance we have provided the path for getting a variance.

COUNCILMEMBER LAWRENCE STEVENS: in the future council an also amend the ordinance such as the number of chickens permitted. We can see how this version pans out and if there are no problems with what we have now then it could be increased sometime in the near future to allow people to have more chickens.

SOLICITOR CATHERINE HARPER: That's right if you get a lot of requests for variance for more chickens then you can change the ordinance to meet their request. On the other hand, we have not heard a word about the beekeeping ordinance since you passed it. That was controversial. I am supposed to ask for public comment but there is no public here, that would be commenting. Did we receive any written comments?

MANAGER JAIME E. SNYDER: No, we did not.

SOLICITOR CATHERINE HARPER: It was advertised twice in the newspaper because it is a zoning ordinance. A regular ordinance only has to get advertised once for seven days. We did advertise this one twice since it is a land use zoning ordinance governed by the municipal planning code and so we should make the proof of publication a part of the record but attaching it to the minutes. That is all that you have to do on the hearing unless council has questions or would like to comment.

This Public hearing is closed. (At 7:18 the hearing was closed)

B. Ordinance No. 551 Regulating the Use of Consumer and Display Fireworks

Police Department Report

**The Hatfield Police Department's
monthly report to the
Council of the Borough of Hatfield**

June 12, 2023

Submitted by Lt. Jane E. Robertson

Hatfield Police Report for Borough Council

4/26/2023 through 6/11/2023

Activity in brief

- 578 agency cases originated in Hatfield Borough
- 27 traffic stops were conducted
- 72 incidents were handled in the Borough's core district
- 228 Borough patrols were conducted
- 70 selective enforcements were conducted
- 26 traffic citations were issued
- 17 traffic warnings were issued
- 9 crashes were investigated
- 22 building overnight checks ("NightEyes") were completed

DUI: On May 6, 2023, at approximately 0554 hours officers were dispatched to the Hatfield Fire Station for a vehicle that struck the building. It was reported by the caller that the driver of the vehicle was unconscious but breathing. Upon arrival, officers found the front bumper of the vehicle was resting against the northern exterior wall of the fire station. The vehicle was running and officers found the male, later determined to be a resident of Philadelphia, unconscious and he was initially unresponsive. Officers were able to wake him and when they advised him that his vehicle had crashed into a building, he shook his head and denied it. The driver believed he was at a manufacturing plant that was more than seven miles away from the Hatfield Fire Station and stated he had parked "because I knew I couldn't drive." The driver was arrested for DUI and during an inventory search of the vehicle, a firearm was found to be illegally in the car along with an open, almost empty bottle of tequila.

Fraud: On May 31 at about 11:40 a.m., a Stephanie Court resident reported he had been “hired” through a job posting on Indeed. After receiving a check for \$3,400, which he deposited into his account and then was instructed to transfer to another bank for “supplies,” it was determined that the check he was provided was fraudulent. In addition, the resident did provide listing “company” with his personal information. The investigation is open.

Disturbance: On May 8 at about 11:15 a.m., officers responded to the 500 block of South Main Street for a report of a disturbance. They determined that two co-workers had gotten into an argument when one co-worker had not accepted criticism well resulting in being struck by a broom handle. The co-worker with the broom advised it had only been in jest but that the issue apparently escalated. All was resolved upon police departure.

Suspicious circumstance: On May 19 at about 11:20 a.m., officers responded to Lambert Street for a report that it had been closed off to traffic for unknown reasons and people had assembled in the middle of the roadway. It was determined that there was a very brief ceremony being held for a veteran and officers stood by to ensure traffic was handled properly while the veteran was honored.

Suspicious circumstance: On April 30 at about 6:30 p.m., officers responded to the area of the 400 block of South Main Street after a caller to 911 stated “get off my bike” and hung up the phone. Police determined that a resident in that area advised he had been wrestling around with his friends and his phone detected a fall, causing an automatic 911 call to be generated. All was determined to be okay.

Attempted fraud: On May 19 at about 2:15 p.m., officer spoke with a West Lincoln Avenue resident who wished to report that he received a call from “Cash Home Guys” regarding purchasing his mother’s home. The resident advised that the caller “Mike” had advised him he had spoken with his father about this sale of the home to them. The male terminated the phone call as his father was deceased. No personal information was given out and there was no opportunity for any fraudulent ploy to play out.

Subject: June 2023 Engineering Report
Bursich Project No. HAT-01/065075

The following is a highlighted list of recent activities for the Borough Council Meeting:

CAPITAL IMPROVEMENT PROJECTS:

- **2023 ADA Ramp Replacement Project**
The scope of work includes replacing ten ramps at the intersections of W. School Street / N. Wayne Ave., W. School St. / Jade Dr., Jean Dr. / Jade Dr., and W. School Street at the crossing to the school sidewalk; and replacing select areas of sidewalk along E. School St., Forest Way, and Orchard Lane. The contract was awarded to Albert G. Cipolloni & Sons, Inc.

The concrete work for the ramps is complete. The forms will be removed, and the lawn area restoration will be completed shortly. The contractor plans to work on the select sidewalk replacements during the week of June 5.

- **2023 Roadway Resurfacing Project**
The scope of work includes milling and overlaying E. School St., Forest Way, and Orchard Lane, with select areas of base repair to be determined once the milling is completed.

On May 24, 2023 six bids were opened. The apparent low bidder was Blooming Glen Contractors with a bid of \$84,920. On May 25 we issued a recommendation to award the contract to Blooming Glen Contractors.

- **2022 Roadway Resurfacing Project**
Completion of the final punchlist items, which include pavement corrections at two ramps and submission of closeout documents, will be done in Summer 2023 in conjunction with the 2023 Roadway Resurfacing work.
- **Broad Street Storm Sewer & N. Main Street Storm and Sanitary Sewer Improvements**
The project will replace the entire storm sewer system in West and East Broad Street and North Main Street, 280 LF of deteriorated 30"x52" CMP through private properties, and the entire sanitary sewer system in North Main Street. \$1.09M of the project will be funded with Commonwealth Financing Authority (CFA) Pa Small Water and Sewer and H2O PA grants. The NPWA will replace their water main from Towamencin Ave. to Main Street under the contract with the Borough's work. Once the work in E. Broad Street is complete PennDOT will mill and overlay E. Broad Street. While W. Broad Street is not currently on PennDOT's five-year plan for repaving, the Borough could attempt to have PennDOT add it as the construction scope and schedule develop.

Applications for two additional grants were submitted to the PA Commonwealth Financing Authority on December 21, 2022. Awards are expected to be announced by September 2023.

An overview of the project was presented to the public at a Townhall Meeting on May 10, 2023. We are currently awaiting the PennDOT Highway Occupancy Permit and notification of the grant awards.

SUBDIVISION / LAND DEVELOPMENT / PERMITS:

- **Didden Greenhouses Land Development**
The application proposes to construct 121,525 sf of new greenhouses, associated parking lot, and stormwater management facilities on an 18-acre tract in Hatfield Township and Hatfield Borough. The new structures and parking lot are proposed primarily within the Township, while the stormwater basin and access driveway to W. Vine Street are proposed within the Borough.

No Change from Previous Report - Our first review letter was issued on January 12, 2023 pertaining primarily to Stormwater Management, Flood Area Analysis, Driveway, and Trail within the Borough. We are currently awaiting revised documents.

- **Bennetts Court (Prestige Building Partners Townhomes)**
The application proposes the construction of 18 townhouse units in three buildings taking access off a new cul-de-sac street, partially comprising an area of undedicated E. Broad Street.

No Change from Previous Report - Completion of the remaining review comments and approval conditions, and preparation of the agreements, is ongoing.

- **28 N. Market St. Minor Subdivision:**
The project includes the subdivision of the property at 28 N. Market Street into two residential lots. Preliminary/Final Approval was granted by Resolution No. 2022-19 at the July 20, 2022 Borough Council meeting.

No Change from Previous Report - The applicant is working on finalizing the shared driveway easement agreement and subdivision documents for recording.

- **Edinburgh Square:**

On June 1, 2023 we received a revised As-built Plan and a request for final escrow release. The information is currently under review.

- **23 N. Main St. Sketch Plan:**

The current sketch plan, submitted on April 26, 2023 by email, includes two properties and construction of ten townhouse units in two buildings. One building contains six units while the other building contains six units.

On May 17, 2023 we issued our review of the latest sketch plan.

SANITARY SEWER:

- **EDU Audit**

No Change from Previous Report - We are currently reviewing water usage records for the non-residential properties in the Borough to determine if their usage is commensurate with the sewage EDUs being charged.

Legislative Issues to Watch

Senator Jarrett Coleman (R- Bucks, Lehigh) has circulated a co-sponsorship memo for legislation intended to “streamline the deployment of broadband infrastructure”. The memo is short on details although sources indicate that it will attempt to transfer ownership of all poles to the state. The intent is to expedite “the deployment of the ‘hard wiring’ aspect of the process, while ensuring the safety of Pennsylvania’s utility networks, will help accelerate the availability of high-speed internet access across the Commonwealth.”

It is unclear if the pole transfer will include all poles including those in PMEA member municipalities and what ownership by the state will mean for pole replacement, etc. Stay tuned for more details as they become available.

Representative Chris Rabb (D – Philadelphia) recently introduced HB 675 which would prohibit an authority or municipality from charging a reconnection fee if the customer’s household income is greater than 300% of the Federal poverty level. A customer may also be exempt from paying a reconnection fee on overdue balances if the customer and authority or municipality have a repayment plan agreement. The bill further prohibits termination of electricity by a municipality or authority between June 1 and September 30 of each year if the customer’s household income is no greater than 300% of the Federal poverty level. HB 675 amends Title 53 (Municipalities) with separate provisions also amending Title 66 (PUC).

Senator John DiSanto (R- Dauphin) sponsored SB 181 legislation to expand the capacity limits for Combined Heat and Power (CHP) facilities which are currently eligible for renewable energy certificates under the state’s Alternative Energy Portfolio Standards (AEPS) Act. Currently, these facilities are limited to 5 megawatts or less. The bill will increase that limit by up to 50 megawatts.

PA House Panel Examines Ways to Collect “Fair Share” of Road Costs from EV Users

With electric vehicle sales steadily increasing and Pennsylvania’s highway maintenance costs growing, lawmakers on Monday heard testimony about ways to capture alternative fuel users’ fair share of road taxes.

Thirty states have enacted road use fees for electric vehicles, Pennsylvania House Transportation Committee Chairman Ed Neilson, D-Philadelphia, said. The challenge for Pennsylvania is determining a fair and equitable way to do so, Neilson said.

Pennsylvania is dependent on gasoline taxes for about 74% of its highway funding and the amount collected through state and federal gas taxes is dwindling as gasoline-powered vehicles become more efficient and electric vehicles become more prevalent.

Meanwhile, the state Department of Transportation estimates that it will need an additional \$9.3 billion every year for road and bridge maintenance, Nick Miller, a policy analyst for the Electrification Coalition, an organization that promotes policies to support the widespread adoption of electric vehicles, said.

Pennsylvania is not alone and other states have examined mileage-based road use fees, congestion fees and increased registration fees. While those would apply to all vehicles, electric vehicle users do not pay a fuel tax and or any additional fees.

Some states have implemented flat electric vehicle fees as a “Band Aid solution,” Miller said, that range from \$50 to \$230.

With 67,500 electric vehicles registered in Pennsylvania as of March, a flat \$290 fee – in line with average annual gas tax costs — would generate about \$19.6 million. That’s a significant amount but only a fraction of Pennsylvania’s needs, Miller said.

Flat electric vehicle fees can be seen as a disincentive for consumers to make the switch to alternative fuels, Miller said, noting that the continued transition to a decarbonized energy economy is important for energy independence and for the climate.

Other options include mileage-based user fees for electric vehicles in lieu of a gas tax. Such a fee indexed to the average motorist’s gas tax contribution and mileage would come to around 2.4 cents per mile, Miller said.

Some states are also exploring charging electric vehicle users fees based on the amount of electricity used at charging stations. While that would capture fees from out-of-state drivers passing through Pennsylvania, it would be more costly to implement for users who charge their vehicles at home.

Consumers would be required to install an additional electric meter to record the amount of electricity used for vehicle charging separately from that used by other electrical devices in a home, Miller said.

Wayne Weikel, senior director of state government affairs for the Alliance for Automotive Innovation, an automotive industry association and lobbying group, said his organization has opposed flat electric vehicle fees across the country for many years, but has recently made a “180-degree” shift.

“I can say an EV fee is the worst form of collecting user fees except for all of the others we’ve thought of,” Weikel said.

Mileage-based fees fail to account for the miles consumers drive in other states and tracking drivers’ locations to exclude out-of-state mileage raises privacy concerns, Weikel said.

The problem of out-of-state mileage is also present in a system that taxes drivers based on the amount of electricity used, Weikel said.

Both systems would come with increased administrative and infrastructure costs.

A flat EV fee could be applied tomorrow and built into next year’s budget, Weikel said. He added that it would be the most stable source of revenue.

“Is it perfect? No. But does it address your funding problem in a reasonable and justifiable way to defend to your constituents? Yes, it ensures nobody’s getting a free ride and everybody’s contributing to the upkeep of the roads we use every day,” Weikel said.

Electric Rate Changes Coming

The Pennsylvania Public Utility Commission (PUC) alerted consumers on May 17th that on June 1 most electric utilities will be adjusting electric generation prices for residential and small business non-shopping customers. The PUC approves a utility's electric generation procurement plan, however, the PUC does not regulate the price of the generation portion of the electric bill which is driven by wholesale market factors.

The PTC averages 40% to 60% of the customer's total utility bill. However, this percentage varies by utility and by the level of individual customer usage. Beginning June 1, EDCs that have adjusted their PTCs for residential default service customers include:

- **Citizens' Electric**, with an increase from 13.4248 to 13.8078 cents per kWh (up 2.8%);
- **Duquesne Light**, with an estimated increase from 11.25 to 11.45 cents per kWh (up 1.8%);
- **Met-Ed**, with an increase from 9.991 to 10.24 cents per kWh (up 2.5%);
- **PECO**, with an increase from 9.726 cents to 10.312 cents per kWh (up 6%);
- **Penelec**, with an increase from 9.561 to 9.703 cents per kWh (up 1.5%);
- **Penn Power**, with an increase from 10.439 to 10.556 cents per kWh (up 1.1%);
- **PPL**, with a decrease from 14.612 to 12.126 cents per kWh (down 17%);
- **UGI**, with a decrease from 12.54 to 11.084 cents per kWh (down 11.6%);
- **Wellsboro Electric**, with a decrease from 12.816 to 12.393 cents per kWh (down 3.3%);
- and,
- **West Penn Power**, with an increase from 8.228 to 9.929 cents per kWh (up 20.7%).

Annual Conference – Voting

Each member municipality has one vote only so please designate your voting member prior to the conference.

When used herein, the term “**SEPTA Property**” shall mean the Premises as defined above, including all parts and portions thereof (within and external to the building), that are owned by SEPTA, in place at the Commencement of the Lease hereunder, and being conveyed by this Lease.

E. Railroad Right-of Way. The railroad right-of way (“**ROW**”) is comprised of the trackbed, all materials within the in the trackbed (the rail, ballast, ties, etc.), the ground areas and/or platform areas that are within 12-feet from the centerline of the tracks, the vertical area above the trackbed/ground/platform extending 12-feet from the track centerline, and the ground beneath all rail-related infrastructure and facilities. The ROW, as defined above, is not part of the Premises, is not being leased to the Borough, is not to be subleased or sublicensed, and is not to be accessed or used by the Borough or by any sublessee or sublicensee.

Because it is not possible to itemize and list every aspect of the Premises, the above descriptions are provided to help understand what is intended to be, and not to be, a part of what is leased hereunder.

F. Delivery of Premises. On the Commencement Date (see Section 3. A below), SEPTA shall deliver physical possession of the SEPTA Property and the Premises to the Borough, and Borough shall accept the SEPTA Property and the Premises in an “as is” condition.

G. Entry onto Premises by SEPTA. SEPTA reserves the right, at reasonable times and upon reasonable prior notice to Borough, to enter the Premises to inspect the Premises and/or SEPTA Property or to protect the interests of SEPTA; except that in a case of emergency SEPTA shall not need to give prior notice. An emergency shall be deemed when exigent circumstances exist, or when there is reasonable perception of a health, safety, security, terroristic or other risk of bodily harm or significant property damage that warrant immediate investigation. In an event of an emergency, SEPTA shall notify Borough as soon as is practicable.

SECTION 3. Lease Term, Termination, Recapture.

A. Lease Term. This Lease Agreement shall be effective upon the Execution Date, which is identified on page 1. The “**Lease Term**” shall commence on the Execution Date (the “**Commencement Date**,” which is used interchangeably with Execution Date); and includes the **Initial Term** (as described and defined in Section 3.B) and all **Optional Terms**, if any (as defined and described in 3.C below), whether in part or in whole; and shall end at midnight of the termination date (herein the “**Termination Date**”) as established based on the applicable termination scenario set forth herein. Each of the Initial Term and any one of the Optional Terms is generically referred to herein as a “**Term**.”

B. Initial Term. The Lease under this Lease Agreement shall have an “**Initial Term**”, which is planned to be ten (10) years, that shall begin on the Commencement Date and, provided there is no early termination pursuant to the provisions herein (“**Early Termination**”), shall terminate on June 30, 2033.

C. Optional Terms. The Lease shall include the potential for two “**Optional Terms**” (singular, “**Optional Term**”) that are planned to be five (5) years each. Either Party shall have the right to choose not to exercise either Optional Term; and to invoke that right, a Party must provide Notice of Termination (pursuant to the process identified in Section 3.D) to the other Party six (6) months prior to the end of the then-current Term.

Each Optional Term can be exercised only when both (1) the Borough has properly notified SEPTA of Borough’s desire to exercise the next Optional Term; and (2) SEPTA has not elected and properly acted to terminate the Lease during or at the end of the then-current Term, in accordance with Section 3.E below. Notice by the Borough to exercise the next Optional Term is to be made in writing to SEPTA no less than six (6) months prior to the end of the then-current Term. If both Optional Terms are exercised, there are no further Optional Terms permitted by this Lease Agreement; and, provided there is no Early Termination, the Lease hereunder would have a Termination Date of **June 30, 2033**.

D. Notice of Termination. If either Party intends to terminate the Lease pursuant to one of the provisions herein, that Party must provide written, timely notice (herein “**Notice of Termination**”) to the other Party in accordance with the time requirement specified below for the applicable termination scenario. The Notice of Termination shall expressly state the intended Termination Date. During the period of time between the date of the Notice of Termination and the actual Termination Date, both Parties must continue to fully abide by and comply with the terms and conditions of this Lease Agreement.

E. Termination at End of Term. If either Party intends to terminate the Lease at the end of the then-current Term, that Party must provide a written, timely Notice of Termination to the other Party no less than six (6) months prior to the end date of that Term. The Notice of Termination shall expressly affirm that the end date of that Term will be the Termination Date of the Lease.

F. Early Termination. If either Party intends to terminate the Lease earlier than the end date of the then-current Term (“**Early Termination**”), pursuant to an applicable Early Termination provision set forth herein, that Party must provide a written, timely Notice of Termination to the other Party in accordance with the time requirement specified below for the applicable termination scenario. The Notice of Termination shall expressly state the intended Termination Date.

1. Early Termination by Lessee.

a. During the Initial Term. During the Initial Term, the Borough shall have the right of Early Termination of the Lease after **June 30, 2028**(five years from the Commencement Date of the Lease), provided that the Borough is not in a status of Default (as defined in Section 17 below). To effectuate Early Termination during the Initial Term, the Borough must provide a written, timely Notice of Termination to SEPTA no less than six (6) months prior to the therein specified Termination Date.

b. During an Optional Term. During an Optional Term, the Borough shall have the right of Early Termination of the Lease at any time, provided that the Borough is not in a status of Default (as defined in Section 17 below). To effectuate

Early Termination during an Optional Term, the Borough must provide a written, timely Notice of Termination to SEPTA no less than six (6) months prior to the therein specified Termination Date.

2. Early Termination by SEPTA.

a. Recapture. Because the FTA holds an interest in the property of the Station, when SEPTA contractually conveys to third party rights to any or all of the Station property (such as through a lease, license, easement, etc.), SEPTA must retain the right to recapture all or part of the conveyed property (“**Recapture**”), subject to the Recapture requirements established by the FTA.

Accordingly, SEPTA and Borough acknowledge that, notwithstanding any other provision herein, SEPTA shall have the right to Recapture the Premises, or any part thereof, for transportation purposes or to comply with the requirements of the FTA. The right to Recapture for transportation purposes may be exercised by SEPTA at any time during the Lease Term, provided that SEPTA gives the Borough twelve (12) months prior, written Notice of Termination, which expressly specifies that the Early Termination is an act of Recapture and identifies the intended Termination Date. To execute the act of Recapture, SEPTA may revoke in whole or in part, terminate, or modify, as applicable, this Lease Agreement and the Lease established hereunder.

b. Termination for other than Recapture. SEPTA shall have the right to decline an upcoming Optional Term by providing Notice of Termination in accordance with Section 3.E.

During the Initial Term, SEPTA shall not have the right of Early Termination of the Lease for any reason except Recapture and Default (see Section 17).

During an Optional Term, SEPTA shall have the right of Early Termination, without having to state a reason, by providing a timely, written Notice of Termination to Borough no less than six (6) months prior to the therein specified Termination Date.

c. Termination for Default. SEPTA has the right to terminate this Lease and Lease Agreement due to an event of Default by Borough or Sublessee, and in such instance, Section 17 shall apply and shall govern the actions of SETPA, the Borough and the Sublessee.

G. Holding Over. If the Borough or Sublessee in possession of the Premises after the Termination Date, without any agreement extending the Lease Term, the Lease shall be in “**Hold Over**” status and the tenancy shall be on a month-to-month basis. SEPTA may demand that Borough and Sublessee surrender and vacate the Premises with 30 days written notice. For each month or partial month that the tenancy is in Hold Over status and the Premises have not been fully vacated in accordance with the requirements hereunder, SEPTA may charge the Borough twice the Basic Rent amount in effect at the time of the Termination Date. If SEPTA has to force the full and complete surrender and vacation of the Premises, SEPTA shall be entitled to be

reimbursed by the Borough for all costs SEPTA incurs for effectuating that surrender and vacation. The foregoing does not limit the liability of the Borough to comply with this Lease Agreement, nor does it limit SEPTA's rights regarding Default (see Section 17) hereunder.

SECTION 4. Condition and Permitted Use of Premises.

A. Acknowledgement of Subleasing. The Parties agree and acknowledge that the underlying intent of this Lease Agreement, and the granting of a Lease hereunder, is that the Borough will sublet the some or all of the Premises to another entity ("**Sublessee**") for its use. The Borough is hereby granted permission to sublet the Premises, provided that Borough does so, and continues to act, in accordance with this Lease Agreement. For the purpose of this Lease Agreement and the Lease hereunder, the term "**Permitted Use**" shall refer to both (1) the Borough's role as, and ability to act as, the grantor of a Sublease subject to this Lease; and (2) the acceptable and lawful use for which the Sublessee will use the Premises.

The Borough is permitted to have Sublessee assume responsibilities for any applicable rights and obligations established hereunder; however, the Borough shall be ultimately responsible for the satisfaction of and compliance with the obligations, requirements, terms, and conditions set forth by this Lease Agreement.

The Borough will enter into a separate lease agreement, which will constitute and be called a sublease (herein "**Sublease**"), with the entity of Borough's choice, provided that the Sublease must be submitted to SEPTA for its approval prior to execution. The Borough agrees that it will identify within the Sublease the nature of, as well as the requirements and limitations regarding, the specific use to which the Sublessee is permitted to put the Premises, as well as all rights, obligations, limitations, requirements, terms, and conditions set forth hereunder that are to be applicable to the Sublessee.

B. Condition of Premises. The Borough accepts the Premises "as is" and acknowledges that SEPTA has made no agreement, representation or warranty as to the condition, safety, suitability, or unsuitability, of the Premises for the Permitted Use, for any particular use, or for any purpose at all. Although SEPTA has set forth herein certain restrictions and limitations that may impact the type of use of the Premises, it is Borough's obligation to determine whether a Sublessee's use of the Premises can comply with this Lease.

In the event that the Premises are not put to active use and/or open for business for any period of time, the Borough shall keep the Premises in a safe, neat, clean, attractive, and orderly condition. The Borough shall be required to pay all Rentals under this Lease even if the Premises are not open for business or actively operated for a Permitted Use.

C. General Conditions of Use. The borough shall not use or permit the use of the Premises in any way that causes or creates any public or private nuisance. Within the Sublease, Borough shall ensure that the following, at a minimum and as applicable, are included and addressed: responsibility for all necessary local permits and approvals; operating hours/days for Permitted Use; responsibility for the environmental condition of the Premises; legality of usage of the Premises; compliance with all laws, statutes, regulations, ordinances, etc. Borough has the right to specify to its Sublessee additional requirements, limitations, prohibitions, or restrictions,

beyond those cited herein, provided they are lawful and identified in the Sublease, the enforcement of which shall be the responsibility of the Borough.

D. Initial Improvements. The Borough has proposed, and SEPTA has agreed that the Borough will make certain improvements (“**Initial Improvements**”) to the Premises upon the onset of the Lease, after the Commencement Date. The Initial Improvements, which include, but are not limited to, general improvements to the parking lot and access area between the road and the parking lot, have been estimated to cost approximately \$55,477.00, which will be incurred and paid by the Borough. SEPTA has reviewed, considered, and approved the scope of work for these improvements. After the Commencement Date, the Borough may proceed with undertaking the Initial Improvements in accordance with the approved scope of work and will execute and be responsible for the work of the Initial Improvements in accordance and compliance with Section 10 below.

During the Initial Term of the Lease, the Borough shall be granted reductions in rent owed (“**Rent Credit**”), in accordance with Sections 4.D.1 and 4.D.2, for having borne the costs of the Initial Improvements. During the entire Lease Term, the Borough shall also be granted Rent Credit for the upkeep and maintenance (“**Maintenance**”) of the Premises in accordance with Section 4.D.3 below. The Rent Credit amounts shall be as follows and shall have the effect as described in Section 5.C below.

1. For the first three years of the Lease, the Borough will be granted \$103,741.52 in Rent abatement.

2. For each of the last seven years (years 4 through 10) of the Lease, the Borough will be granted a Rent Credit of approximately \$14,245.29 annually for Initial Improvements; and

3. For each year of the Lease Term, the Borough will be granted a Rent Credit of \$6,500.00 annually for the Maintenance of the Premises.

SECTION 5. Rental.

A. Security Deposit. The Borough is not required to provide a security deposit with SEPTA for the Borough’s Lease of the Premises. Whether Borough requires a security deposit of the Sublessee is at the discretion of Borough and should be addressed within the Sublease.

B. Payment of Rental. The Borough shall pay rent (“**Rental**”) to SEPTA for the Lease of the Premises, which Rental shall include (1) annual “**Basic Rent**” as described in Section 5.C; and (2) any additional charges, fees, costs, taxes, etc. that come due under the Lease Agreement (herein “**Additional Rent**”).

C. Basic Rent. Effective on the Commencement Date, the Borough shall owe and pay annual Basic Rent, which shall be paid in equal monthly installments (“**Monthly Rent**”) in advance on the first (1st) day of each month and shall be calculated as described below.

1. For Years 1 through 3 of the Initial Term. The annual Basic Rent and Monthly Rent shall be calculated as follows:
 - a. Annual “**Gross Rent**” is abated for the first three years.
 - b. Gross Rent is escalated by 3% per year after year one;
2. For Years 4 through 10 of the Initial Term. The annual Basic Rent and Monthly Rent shall be calculated as follows:
 - a. Annual Gross Rent is \$36,322.25 for the fourth year;
 - b. Annual Gross Rent is escalated by 3% per year;
 - c. Less the Rent Credit of \$14,425.29 for Maintenance and Initial Improvements, Equals the annual Basic Rent amount;
 - d. The annual Basic Rent amount is then divided by twelve to establish the Monthly Rent for each of the seven years.
3. For each of the years of the Option Terms. The annual Basic Rent and the Monthly Rent shall be calculated as follows:
 - a. Annual Gross Rent is \$44,671.78 for eleventh year;
 - b. Annual Gross Rent is escalated by 3% per year;
 - c. Less \$6,500.00 Rent Credit for Maintenance equals Annual Basic Rent;
 - d. The annual Basic Rent amount is then divided by twelve to establish the Monthly Rent for each year of the Optional Terms.

D. Additional Rent. The Borough shall pay all other sums of money, fees, fines, penalties, taxes, and charges of kind that become due or are required under this Lease Agreement to be paid by the Borough to SEPTA. All such amounts due shall constitute Additional Rent hereunder.

E. Payment of Rental. The Borough shall make Rental payments to the address below. The Monthly Rent payment for each month is due on or before the first day of that month. SEPTA expects to send monthly invoices to the Borough specifying the then-current Monthly Rent amount due. However, if an invoice or invoices are not sent by SEPTA, not received by Borough, or not accurate, Borough is still responsible for the timely payment of the accurate Monthly Rent amount that is due.

SEPTA will invoice the Borough for any and all amounts of Additional Rent as they arise. Borough will pay Additional Rent invoices within 30 days of receiving the invoice.

SEPTA shall have the right to charge Borough a late fee of 5% of the invoice amount if an invoice is not paid by ten days after the date due as specified above. The Parties agree that this late fee charge represents a fair and reasonable estimate of the costs that SEPTA will incur for such late payment. Borough's payment of a late fee charge shall not constitute SEPTA's waiver of default by Borough or of any right or remedy hereunder, including a determination of default by Borough.

F. Payments In the Event of Recapture. In the event of Recapture, the requirement that Borough pay Basic Rental shall end as of the specified Termination Date; except that any Basic Rental that was previously due but not paid, shall still be due and owed to SEPTA and must be paid by Borough. Additional Rental may still become due from during the Lease Term and must still be paid by Borough even after the specified Termination Date resulting from Recapture.

If SEPTA Recaptures the Premises during the Initial Term, SEPTA shall reimburse Borough for the remaining portion of the amount of the Rent Credits for Initial Improvements, to which Borough would have otherwise been entitled, for the period from the Recapture Termination Date through **June 30, 2033**

If SEPTA Recaptures the Premises during an Optional Term, Borough shall not be entitled to or receive any reimbursement, remuneration, compensation, restitution or other type of payment, for Early Termination of the Lease due to Recapture

SECTION 6. Fixtures.

For the Purpose of this Lease Agreement, the term "**Fixtures**" shall mean all of the tangible personal property of Borough and/or Sublessee that are put in place on the Premises by Borough or Sublessee, that are not permanently affixed to the Premises and that are not SEPTA Property. Examples of Fixtures include, but are not limited to, signs, furniture, business equipment and appliances, furnishings and décor, lighting, window treatments, etc. All Fixtures placed or installed on the Premises shall always be the property and responsibility of their owner. The maintenance, repair, enhancement, upgrade, and replacement of any and all Fixtures, the costs therefor, and liability associated therewith, shall be the responsibility primarily of the owner and ultimately of the Borough.

The Parties agree that SEPTA shall have no obligations, responsibility or liability with regard to Fixtures or any damage or injury associated therewith. If any Fixtures cause any damage or destruction to the Premises or any SEPTA Property, the Borough, at its own expense, shall be responsible and liable for taking all actions necessary for the repair, replacement, resolution, correction, restoration etc. of SEPTA Property to bring it back to its condition prior to this Lease, or better (generically "Restoration"). If Borough fails to make such Restoration in a reasonable period of time, SEPTA may, but is not obligated to, make such Restoration, and SEPTA may bill Borough, to be treated as Additional Rent, for the Restoration work performed by SEPTA.

All Fixtures shall be removed from the Premises by the Termination Date of the Lease and the Borough shall be responsible for the repair of any and all damage to the Premises caused by the placement, installation and/or removal of Fixtures.

SECTION 7. Utilities.

SEPTA does not warranty that the Premises have any or all utility service facilities, such as for water, electricity, telephone, internet, sanitary sewer service, fire protection sprinkler system, property protections/detection systems (collectively and generically, “**Utilities**”), that may be necessary or useful for the Permitted Use. Any Utilities or Utilities’ Facilities that are in place at the Commencement of the Lease are deemed to be SEPTA Property and are conveyed to Borough under and as part of the Lease. The Borough acknowledges that, for the Lease Term, it shall be responsible for the expense, actions, and liability associated with the installation, operation, maintenance, repair, enhancement, upgrade, replacement, and continued existence of the Utilities on the Premises, including any that may be SEPTA Property. The Parties agree that SEPTA shall have no obligation, responsibility or liability with regard to the Utilities on the Premises, whether existing prior to this Lease Agreement or added or modified after the Commencement of the Lease, or for any cost, expense, injury, damage or destruction associated with the Utilities or any need for Utilities.

If any Utilities cause any damage or destruction to the Premises or any SEPTA Property, the Borough, at its own expense, shall be responsible and liable for taking all actions necessary for the Restoration of SEPTA Property. If Borough fails to make such Restoration in a reasonable period of time, SEPTA may, but is not obligated to, make such Restoration, and SEPTA may bill Borough, to be treated as Additional Rent, for such Restoration work performed by SEPTA.

SECTION 8. Signage.

Borough has the right to install, or to allow Sublessee to install, signage on the Premises as it deems appropriate, helpful, useful, or related to the Permitted Use and/or the operation of the Premises (“Signs”), and all such Signs are to be professional prepared, securely and safely located and installed, and maintained and repaired, at its own cost and expense. Borough shall install or require that Sublessee install Signs that provide prominent warning that that no persons, materials, or vehicles are permitted to enter the railroad ROW (as defined in Section 2.E above). Borough may install or allow installation of Signs that identify the entity operating the Premises for the Permitted Use, direct vehicular or pedestrian traffic, specify parking restrictions or requirements, e Premises. However, signage that constitutes advertising for another entity for the purpose of generating revenue for the Borough or its Sublessee shall not be permitted. The Borough shall be responsible and liable for Signs on the Premises and shall ensure that all Signs comply will all applicable laws, statutes, regulations, ordinance and good business practices, and are maintained in good condition and repair at all times. SEPTA reserves the right to deny the use of or require the removal of any Signs that violate or are disallowed by SEPTA’s policies regarding signage, advertising, and artwork. The Parties agree that SEPTA shall have no obligation, responsibility or liability with regard to the Signs placed on the Premises or for any cost, expense, injury, damage or destruction associated with any Signs or the existence of Signs on the Premises.

If any Signs cause any damage or destruction to the Premises or any SEPTA Property, the Borough, at its own expense, shall be responsible and liable for taking all actions necessary for the Restoration of SEPTA Property. If Borough fails to make such Restoration in a reasonable period of time, SEPTA may, but is not obligated to, make such Restoration, and SEPTA may bill Borough, to be treated as Additional Rent, for such Restoration work performed by SEPTA.

The Borough shall remove, or ensure the removal of, at its own cost and expense, all Signs from the Premises by the Termination Date of the Lease. If Borough fails to remove all signs within a reasonable period of time after the Termination of the Lease, SEPTA may, but is not obligated to, perform such removal and may bill Borough, to be treated as Additional Rent, for the removal work performed by SEPTA.

SECTION 9. Upkeep and Maintenance.

A. Throughout the Lease Term, the Borough shall be responsible for ensuring the upkeep and maintenance (collectively and generically “**Maintenance**”) of the Premises and all parts thereof in good, safe, merchantable, clean, and orderly condition. The Borough, at its own expense, shall be responsible and liable for taking all actions necessary for the Restoration of SEPTA Property. If Borough fails to make such Restoration in a reasonable period of time, SEPTA may, but is not obligated to, make such Restoration, and SEPTA may bill Borough, to be treated as Additional Rent, for such Restoration work performed by SEPTA.

SECTION 10. Improvements.

A. The Borough has the right, but not the obligation, to make, or to allow Sublessee to make, “Improvements” to the Premises as it deems appropriate, helpful, useful, or related to the Permitted Use and/or the operation of the Premises; provided that advanced written approval is

obtained from SEPTA. "Improvements" shall be defined as those changes, modifications, additions, expansions, enhancements, renovations, reconstructions, etc. that have a material impact on the Premises or some portion of the SEPTA, when such work, results or impact is not easily reversible. Alterations, modifications, upgrades, expansion, replacements, enhancements, etc., to systems and facilities such as plumbing, heating, air-conditioning, lighting, electrical, etc., whether in a building or on another part of the Premises, shall constitute Improvements hereunder. Borough shall ensure that all work and results related to Improvements comply with all applicable laws, statutes, regulations, ordinances, and good business practices – including environmental laws and protections. Borough shall be responsible and liable for ensuring that all Improvements, as well as the Premises, are properly maintained and kept in good functioning and safe condition and repair at all times.

If any Improvements, or any work related in any way to any Improvements, cause any damage or destruction to the Premises, any SEPTA Property, or any third party property, the Borough, at its own expense, shall be responsible and liable for taking all actions necessary for the Restoration of that property. If Borough fails to make such Restoration in a reasonable period of time, SEPTA may, but is not obligated to, make such Restoration, and SEPTA may bill Borough, to be treated as Additional Rent, for such Restoration work performed by SEPTA.

The Parties understand and acknowledge that due to the nature of Improvements, as defined hereunder, Improvements can generally not be removed from the Premises at the Termination Date of the Lease.

B. Borough shall not commence any Improvements unless and until: (1) SEPTA has approved the plans and specifications for the Improvements; (2) all necessary permits and approvals have been obtained; and (3) appropriate insurance for the planned work has been acquired and is in effect.

C. In the event that work on Improvements requires entering into or accessing any portion of the ROW, SEPTA shall be given 30 days advance written notice so that it may determine if any track protections or work oversight is needed.

D. If at any time it is determined that the station building or any other portion of the Premises is designated as a historic property (such as listed on the National Historic Register of Places, or other state or local equivalent register), any and all work on the Premises must be performed in compliance with applicable law. All resulting liability, costs, fees, actions/omissions, or work performed shall be the responsibility of Borough.

SECTION 11. Taxes.

The Borough shall be ultimately responsible for the payment of all real estate tax, assessments, fees, levies, and other charges of any kind, for example, local and governmental services (such as Fire protection, street, sidewalk, road maintenance, refuse removal, stormwater

management, etc.), whether foreseen or unforeseen, that may be imposed on the Property, on Improvements to the Premises or any part thereof, or for the use of the Premises pursuant to this Lease and/or associated Sublease (collectively and generically herein, "Taxes"). When circumstances permit, the Borough and/or Sublessee shall pay Taxes directly. Otherwise, when SEPTA must pay any Taxes associated with the Premises, SEPTA shall seek reimbursement from the Borough, which request will take the form of and be treated by the Borough as Additional Rent.

SECTION 12. Security.

The Borough assumes all responsibility for the protection of the Premises, its agents, employees, contractors and invitees while on the Premises, and their property. Borough shall be ultimately responsible for determining the level, types and methods of security that is to be provided for the Premises, and for providing all such security. Security obligations shall also include warning of any dangers on the Premises. All costs associated with providing all types of security measures, such as but not limited to guard service, camera surveillance, signage, etc., are the obligation of the Borough. SEPTA has no obligation whatsoever to provide any security measures. 2.1 GRANT OF AUTHORITY

Pursuant to the Cable Act, the regulations of the FCC and Pennsylvania law, the Borough hereby grants a non-exclusive and revocable franchise to Comcast. Subject to the terms and conditions contained herein, the Borough hereby grants to Comcast the authority to construct, extend, install, operate, maintain, upgrade and rebuild a Cable System, including such wires, cables, fiber, conductors, ducts, conduits, amplifiers, pedestals, attachments and other equipment as is necessary and appropriate to the operation of the Cable System in the Public Rights-of-Way, including property over which the Borough has a sufficient easement or right-of-way to provide

Cable Services. Nothing herein shall preclude Comcast from offering any other service over the Cable System as may be lawfully allowed.

2.2 TERM OF FRANCHISE

The term of this Agreement shall be for a period of ten (10) years commencing on the date when fully executed by both parties (the "Effective Date"), unless the Franchise is terminated prior to the expiration date in accordance with the terms and conditions of this Agreement.

2.3 REPRESENTATIONS AND WARRANTIES

(a) Comcast represents, warrants and acknowledges that, as of the Effective Date:

(1) Comcast is duly organized, validly existing and in good standing under the laws of the Commonwealth of Pennsylvania;

(2) Comcast has the requisite approval from the applicable federal and state agencies;

(3) There is no action or proceeding pending or threatened against Comcast which would interfere with its performance or its ability to perform the requirements of this Agreement;

(4) Pursuant to Section 625(f) of the Cable Act, as of the Effective Date, the performance of all terms and conditions in this Agreement is commercially practicable.

2.4 NON-EXCLUSIVITY

This Franchise granted to Comcast shall be non-exclusive. Nothing in this Agreement shall affect the right of the Borough to grant other Franchises to construct, operate or maintain a Cable System.

2.5 FRANCHISE SUBJECT TO FEDERAL, STATE AND LOCAL LAWS

This Franchise is subject to and shall be governed by all lawful and applicable provisions of federal, state and generally applicable local laws and regulations. This Franchise is further subject to all generally applicable ordinances and resolution of the Borough. Without waiving any of its rights, the Borough agrees that, to the extent any term of this Agreement is inconsistent with the terms of any Borough cable franchise ordinance existing as of the Effective Date, this Agreement shall control.

2.6 COMPETITIVE EQUITY

(a) Comcast acknowledges and agrees that the Borough reserves the right to grant one or more additional franchises to construct, operate, and maintain a Cable System within the Borough.

(b) The Franchise granted to Comcast is non-exclusive; however, if the Borough grants a subsequent franchise or other authorization to provide similar wired video services, that, when taken as a whole upon consideration of all of its material obligations, is more favorable or less burdensome to the subsequent provider than this Agreement is to Comcast, then Comcast may request an amendment to this Agreement to provide Comcast with competitive equity. If, when taken as a whole upon consideration of all of its material obligations, the subsequent Franchise is more favorable or less burdensome, then the Borough and Comcast shall enter into good faith negotiations in order to modify this Agreement to the mutual satisfaction of both parties to provide Comcast with such competitive equity.

(c) In the event an application for a new Franchise for Cable Service or other authorization to provide similar wired video services is submitted to the Borough proposing to serve Subscribers within the Borough, then the Borough shall notify Comcast in writing of the submission of the application.

SECTION 3

SYSTEM CONSTRUCTION, OPERATION AND MAINTENANCE

3.1 TECHNICAL REQUIREMENT

(a) Comcast shall operate, maintain, construct and extend the Cable System so as to offer Cable Services throughout all parts of the Borough where the density requirements of Section 3.2 are met. The Cable Service provided by the Cable System shall be delivered in accordance with applicable FCC standards and the Cable Act. The Cable System shall meet or exceed any and all applicable technical performance standards of the FCC, the National Electrical Safety Code, the National Electric Code and any other applicable federal laws and regulations and the laws, ordinances and construction standards of the Commonwealth of Pennsylvania and the generally applicable laws, ordinances and construction standards of the Borough.

(b) Stand-by power at the headend(s) shall be provided in the event of a service interruption. Stand-by power must activate automatically upon the failure of commercial utility power.

3.2 AREA TO BE SERVED

(a) Comcast shall make Cable Service available to every dwelling occupied by a person requesting Cable Service provided that Comcast is able to obtain from the property owners any necessary easements and/or permits in accordance with Section 621(a)(2) of the Cable Act. Comcast shall extend the Cable System beyond that which exists on the Effective Date into all areas within the Borough, unserved by another wireline video provider, where there is a minimum of twenty-five (25) dwelling units per linear plant mile of aerial cable and fifty (50) dwelling units per underground mile of cable, calculated from the end of the main distribution line from which a usable Cable Service signal can be obtained. For purposes of this section, a home shall only be counted as a "dwelling unit" if such home is within two hundred seventy-five (275) feet of the

nearest distribution pole line within the public right of way. Upon written request from the Borough, Comcast shall conduct a survey to determine the number of dwelling units in the requested area and shall inform the Borough of the survey results and applicable costs to extend Service to the area. In those areas meeting the minimum density standard, Comcast shall commence construction within ninety (90) days after all necessary permits and pole attachment licenses are obtained. Subject to Force Majeure, Comcast will make best efforts to complete the construction of said extension within six (6) months from the issuance of all necessary permits and pole attachment licenses. Comcast's obligation hereunder shall be subject to the timely performance of walk-out, make ready and location of all underground utilities, weather permitting.

(b) Any dwelling unit within one hundred twenty-five (125) feet aerial distance from the main distribution line shall be entitled to a standard installation rate. For any dwelling unit in excess of one hundred twenty-five (125) feet or that requires an underground installation, Comcast shall extend the Cable Service if the Subscriber pays Comcast the actual cost of installation from its main distribution system with such cost being only the incremental portion beyond one hundred twenty-five (125) feet for aerial installations.

(c) The Borough has the authority to require Comcast to place wires and/or equipment underground, provided that the Borough imposes such requirement on all similarly situated entities. All installations of wires and/or equipment by Comcast shall be underground in those areas of the Borough where the wires and/or equipment of similarly situated entities (i.e. telephone and electric utilities) are underground; provided, however, that such underground locations are capable of accommodating Comcast's facilities without technical degradation of the Cable System's signal quality. Comcast shall not be required to construct, operate, or maintain underground any ground-mounted appurtenances such as Subscriber taps, line extenders, system passive devices, amplifiers, power supplies, or pedestals.

(d) In the event that public or private funds are made available to pay for such underground projects, Comcast shall be included by the Borough for such funds, if permitted to do so under applicable law. In the event that Comcast is required to place existing aerial plant underground, Comcast reserves its right to pass any remaining costs in excess of any such available public or private funds through to Subscribers if and to the extent allowed by applicable law.

3.3 CABLE SYSTEM SPECIFICATIONS

(a) Comcast has designed, constructed, and shall maintain a Cable System that has been built for digital television standards.

(b) Comcast reserves the right to alter, adjust, modify, rebuild, upgrade, redesign, or otherwise reconfigure the Cable System at any time during the term of the Agreement, provided that no alteration, adjustment, modification, rebuild, upgrade, redesign or other reconfiguration of the Cable System shall have the effect of reducing the technical capabilities of the Cable System as set forth in Section 3.1.

3.4 SYSTEM TESTS

(a) Comcast shall be responsible for ensuring that its Cable System is designed, installed and operated in a manner that fully complies with applicable FCC technical standards. Upon a showing of a pattern of Subscriber Complaints regarding signal quality or a determination of non-compliance related to signal quality through a compliance review under Section 5.2 herein, Comcast, upon written request by the Borough, shall perform applicable tests to determine compliance with FCC technical standards. Comcast shall provide a report to the Borough within thirty (30) days of completion of a Borough-requested test that describes the results of the test. If any test under this Section indicates that the Cable System fails to meet applicable FCC requirements, Comcast shall take such corrective measures as are necessary to correct any failure and to prevent their recurrence as far as is possible.

(b) Upon sixty (60) days' written request to Comcast, the Borough may inspect the Cable System at any time to ensure compliance with this Agreement and applicable law, including to ensure that the Cable System is constructed and maintained in a safe condition. The Borough reserves the right, upon at least sixty (60) days' written notice to Comcast, to conduct a technical audit of the Cable System.

3.5 EMERGENCY ALERT SYSTEM

Comcast shall comply with the Emergency Alert System requirements of the FCC.

3.6 SERVICES FOR SUBSCRIBERS WITH DISABILITIES

Comcast shall comply with all applicable federal regulations, including the Communications Act of 1934, as amended, that ensure the provision of Cable Services and related equipment are accessible to and usable by persons with disabilities.

3.7 SERVICE TO MULTIPLE DWELLING UNITS ("MDU's")

Comcast and the Borough hereby hereto acknowledge and agree that installation and provision of Cable Service to MDU's are subject to a separate negotiation between the landlord, owner or governing body of any such MDU and Comcast, which negotiations shall be conducted in accordance with the procedures set forth in the Cable Act, as amended, applicable FCC regulations and applicable Pennsylvania law.

3.8 REPAIRS AND RESTORATION

(a) Whenever Comcast or any of its agents, including any contractor or subcontractor, takes up or disturbs any pavement, sidewalk or other improvement of any public or private property, the same shall be replaced and the surface restored in as reasonably good condition as before the disturbance within twenty (20) business days of the completion of the disturbance, weather permitting. Upon failure of Comcast to comply within the time specified and the Borough having notified Comcast in writing of the restoration and repairs required, the Borough may cause

proper restoration and repairs to be made and the expense of such work shall be paid by Comcast upon demand by the Borough.

(b) Whenever Comcast or any agent, including any contractor or subcontractor, shall install, operate or maintain equipment, cable, or wires, it shall avoid damage and injury to property, including structures, improvements and trees in and along the routes authorized by the Borough if required for the proper installation, operation and maintenance of such equipment, cable, or wires. Comcast shall promptly repair and restore any public property that is damaged as a result of construction, installation, repair or maintenance of the Cable System within twenty (20) business days, weather permitting.

(c) Comcast's operation, construction, repair and maintenance personnel, including all contractors and subcontractors, shall be trained in the use of all equipment and the safe operation of vehicles. Such personnel shall follow all safety procedures required by all applicable federal, state and local laws and regulations. All areas of the Cable System shall be inspected in accordance with such applicable federal, state and local laws and regulations so as to prevent hazardous conditions or risks to safety for the public and/or operating and maintenance personnel. Comcast shall install and maintain its wires, cables, fixtures, and other equipment in such a manner as shall not interfere with any installations of the Borough or any public utility serving the Borough.

(d) Should a public safety emergency occur as a result of, incident to, or connected with operation, construction, repair, or maintenance activities by Comcast personnel, including all contractors and subcontractors, then such personnel shall immediately contact the applicable public safety emergency dispatcher (e.g. 9-1-1).

(e) Whenever Comcast or any agent, including any contractor or subcontractor, shall disturb any pavement, sidewalk or other public property in order to perform any underground activity, it shall utilize the Pennsylvania One Call System prior to any such disturbance. Comcast shall adhere to any additional undergrounding requirements which the Commonwealth may establish in the future. Comcast shall adhere to all requirements of the Pennsylvania Underground Utility Line Protection Act.

(f) All structures and all lines, equipment and connections in, over, under, and upon streets, sidewalks, alleys, and public and private ways and places of the Borough, wherever situated or located, shall at all times be kept and maintained in a safe and suitable condition and in good order and repair in accordance with customary industry standards and practices.

3.9 SERVICE AREA MAPS

Upon thirty (30) days' written request, Comcast shall permit the Borough to view a complete set of Comcast service area strand maps of the Borough on which shall be shown those areas in which facilities exist and the location of streets. The strand maps shall also designate where the cable wires and other equipment are aerial and where they are underground. Such viewing by Borough officials shall be at a mutually agreed time and location. Should the Borough wish to obtain such strand maps of the Borough for its exclusive use, Comcast shall provide such maps within thirty (30) days of a written request, but no more than once annually and only after

the Borough and Comcast have executed a non-disclosure agreement as such maps are confidential and proprietary pursuant to Section 5.1 of this Agreement.

3.10 DISCONNECTION AND RELOCATION

(a) Comcast shall, at no cost to the Borough,, protect, support, temporarily disconnect, relocate in the same street, or other public way and place, or remove from any street or any other public way or place, any of its property as required by the Borough or its designee by reason of traffic conditions, street construction, change or establishment of street grade, site distance visibility, the construction of any public improvement or structure, or any other reason related to public health, safety and welfare.

(b) In requiring Comcast to protect, support, temporarily disconnect, relocate or remove any portion of its property, the Borough shall treat Comcast the same as, and require no more of Comcast than, any other similarly situated entity utilizing the Public Rights of Way, including with respect to potential reimbursement of costs.

3.11 EMERGENCY REMOVAL OF EQUIPMENT

(a) If, at any time, in case of fire or other disaster in the Borough, it shall be necessary, in the reasonable judgment of the Borough or its agent, to cut or move any of the wires, cable or equipment of the Cable System, the Borough shall have the right to do so without cost or liability, provided that, wherever possible, the Borough shall give Comcast notice and the ability to relocate wires, cable or other equipment.

(b) In cutting or moving any of the wires, cable or equipment of the Cable System in the event of fire or other disaster, the Borough shall treat Comcast the same as, and require no more of Comcast than, any other similarly situated entity.

3.12 TREE TRIMMING

(a) Comcast, or its agents, including contractors and subcontractors, shall have the authority to trim trees upon and overhanging the Public Rights-of-Way so as to prevent the branches of such trees from coming in contact with the wires, cables, or other equipment of Comcast. Any such tree trimming shall only be performed in accordance with applicable laws and regulations.

(b) If Comcast or its agents, including contractors and subcontractors, wish to cut down and remove any tree or trees as may be necessary for the installation and/or maintenance of its equipment, it shall apply to the Borough for permission, with the exception of Emergency situations as defined in Section 1(k), and if permission is granted, shall perform such cutting and removal in accordance with the regulations of the Borough.

3.13 CHANNEL CAPACITY

Comcast shall meet or exceed programming and channel capacity requirements set forth in this Agreement and required by applicable federal and state law and regulations.

3.14 BROADCAST CHANNELS

To the extent required by federal law, Comcast shall provide all Subscribers with Basic Service including, but not limited to: a) all broadcast television signals carried in fulfillment of the requirements of Section 614 of the Cable Act; b) the signals of qualified non-commercial educational television signals carried in fulfillment of the requirements of Section 615 of the Cable Act; and c) any Educational and Governmental Channel pursuant to Section 611 of the Cable Act. All such signals shall be delivered to Subscribers in accordance with applicable FCC technical specifications.

3.15 SIGNAL SCRAMBLING

Comcast shall at all times comply with FCC regulations regarding scrambling or other encryption of audio and video signals.

3.16 CONTINUITY OF SERVICE

Subscribers shall continue to receive Cable Service from Comcast provided their financial and other obligations to Comcast are honored. Subject to Force Majeure provisions in Section 9.1, Comcast shall use its best efforts to ensure that all Subscribers receive continuous, uninterrupted service regardless of the circumstances. For the purpose of construction, routine repairing or testing of the Cable System, Comcast shall use its best efforts to interrupt service only during periods of minimum use. When necessary service interruptions of more than twenty-four (24) hours can be anticipated, Comcast shall notify Subscribers in advance of such service interruption along with providing Subscribers with a pro-rata credit for the time of such service interruption.

SECTION 4 **SUBSCRIBER SERVICE STANDARDS**

4.1 OFFICE HOURS AND TELEPHONE AVAILABILITY

(a) Comcast shall provide and maintain a toll free telephone access line that will be available to Subscribers twenty-four (24) hours a day, seven (7) days a week. Trained representatives shall respond to Subscriber telephone inquiries during Normal Business Hours. After Normal Business Hours, the access line may be answered by a service or an automated response system. Inquiries received after Normal Business Hours must be responded to by a trained company representative on the next business day.

(b) Under Normal Operating Conditions and during Normal Business Hours, telephone answering time by a Subscriber representative, including wait time, shall not exceed thirty (30)

seconds after the connection is made. If the call needs to be transferred, transfer time shall not exceed thirty (30) seconds. These standards shall be met no less than ninety percent (90%) of the time, measured on a quarterly basis. Under Normal Operating Conditions, the Subscriber shall receive a busy signal less than three percent (3%) of the time.

(c) Comcast will not be required to perform surveys to measure compliance with the telephone answering standards above unless a historical record of Complaints indicates a clear failure to comply. If the Borough determines, after receiving Complaints itself and/or receiving a record of Complaints made to Comcast in accordance with Sections 4.5 and/or 5.7(a), that there is a clear failure to comply with the telephone answering requirements above, the Borough shall notify Comcast in writing that it must measure its compliance with these requirements for the next three months and report to the Borough the results of such monthly average measurements.

4.2 INSTALLATIONS AND SERVICE CALLS

(a) Comcast shall maintain a staff of employees sufficient to provide adequate and prompt service to its Subscribers. Comcast shall require that any employee or agent, including any subcontractor, who personally visits any residential dwelling, shall display a photo identification badge. Any vehicle used for installation, operation or maintenance activities by any Comcast employee or agent, including any subcontractor, shall prominently display the Comcast or Xfinity logo.

If, at any time, an installer or technician is running late, an attempt to contact the Subscriber must be made prior to the time of the appointment. If the appointment must be rescheduled, it must be done so at a time that is convenient for the Subscriber.

4.3 NOTICES

(a) In accordance with applicable federal law, Comcast shall provide written information to each Subscriber upon initial subscription, and at least annually to Subscribers and at any time upon request, regarding each of the following areas:

Comcast shall not be required to provide prior notice to Subscribers of any rate change that is the result of a regulatory fee, Franchise Fee or any other fee, tax, assessment or charge of any kind imposed by any federal agency, the Commonwealth of Pennsylvania or the Borough on the transaction between Comcast and the Subscriber. Advance notice is not required for the launch of new channels when offered on a subscription basis or added to an existing service tier at no additional cost to the customer.

(c) The written notices required by this section may be provided electronically as permitted by 47 C.F.R. § 76.1600.

4.4 BILLING

(a) Bills shall be clear, concise and understandable. Bills must be fully itemized, and shall include all applicable service tiers, equipment charges and any installation or repair charges. Bills shall state the billing period, including an effective due date, the amount of current billing and any relevant credits or past due balances.

4.5 SUBSCRIBER COMPLAINT PROCEDURES

Comcast shall establish clear written procedures for resolving all Subscriber Complaints, which shall include at least the following:

include the results of its inquiry into the subject matter of the Complaint, its conclusions based on the inquiry, and its decision in response to the Complaint.

(b) If the Borough is contacted directly about a Subscriber Complaint, it shall notify Comcast promptly and in writing. When Comcast receives such notification, Comcast shall respond in writing within the time period specified in Section 4.5(a).

(c) Any Subscriber who, in good faith, disputes all or part of any bill sent by Comcast has the option of withholding the disputed amount, without a late fee or disconnection, until Comcast has investigated the dispute in good faith and has made a determination that the amount is owed provided that:

(1) The Subscriber provides a written Complaint to Comcast in a timely fashion and includes identifying information;

(2) The Subscriber pays all undisputed charges;

(3) The Subscriber cooperates in determining the appropriateness of the charges in dispute; and

(4) It shall be within Comcast's sole discretion to determine when the dispute has been resolved.

4.6 DISCONNECTION

Comcast may disconnect or terminate a Subscriber's service for cause:

(a) If at least twenty (20) days have elapsed from the due date of the bill that Subscriber has failed to pay; and

(b) If Comcast has provided at least ten (10) days' notice to the affected Subscriber prior to disconnection, specifying the effective date after which Cable Services are subject to disconnection; and

(c) If there is no pending written dispute with Comcast regarding the bill; or

(d) If at any time and without notice, Comcast determines in good faith that Subscriber has tampered with or abused Comcast's equipment or service, is engaged in theft of Cable Service or has exhibited violent or threatening behavior toward its employees.

4.7 SERVICE INTERRUPTIONS

(a) Excluding conditions beyond its control, Comcast shall begin working on a Service Interruption promptly and in no event later than twenty-four (24) hours after the Service Interruption becomes known and shall pursue to completion. Notice of a Service Interruption of a single Subscriber shall give rise to this obligation on behalf of Comcast. All other service calls not affecting public health, safety or welfare shall occur within a maximum of forty-eight (48) hours after notice to Comcast or scheduled at the convenience of the Subscriber.

(b) Excluding conditions beyond its control and in the event that there is a Service Interruption to any Subscriber for six (6) or more consecutive hours and upon receipt of a written or credible oral request, Comcast shall grant such Subscriber a pro rata credit or rebate, on a daily basis, of that portion of the service charge during the next consecutive billing cycle, or, at its option, apply such credit to any outstanding balance that is currently due.

4.8 PRIVACY

Comcast shall comply with the privacy provisions of Section 631 of the Cable Act and all other applicable federal and state privacy laws and regulations. Comcast shall at all times maintain adequate physical, technical and administrative security safeguards to ensure that personally-identifiable Subscriber information is handled and protected strictly in accordance with this policy and all applicable laws and regulations.

SECTION 5 **REGULATION BY THE BOROUGH**

5.1 RIGHT TO INSPECT AND PROTECTION OF PROPRIETARY INFORMATION

(a) The Borough shall have the option, upon thirty (30) business days' written notice and during Normal Business Hours, to inspect at the notice location for Comcast specified in Section 9.3, all documents, records and other pertinent information maintained by Comcast which relate to the terms and conditions of this Agreement for the purpose of verifying compliance with the terms and conditions of this Agreement and applicable law.

(b) In addition, Comcast shall maintain for inspection by the public and the Borough all records required by the FCC and as specified in 47 C.F.R. § 76.305 in the manner specified therein.

(c) Notwithstanding anything to the contrary set forth herein, all information specifically marked by Comcast as proprietary or confidential in nature and furnished to the Borough or its designated representatives shall be treated as confidential by the Borough so long as it is permitted to do so under applicable law. Representatives and/or agents of the Borough may be requested to execute a non-disclosure agreement prior to the provision by Comcast of certain confidential information, provided such representatives and/or agents are permitted to do so under applicable law. Information and documentation marked by Comcast as proprietary or confidential shall include a brief written explanation as to its proprietary nature or confidentiality subject to

review by the Borough. The Borough and its officially designated representatives agree in advance to treat any such information or records which Comcast reasonably deems would provide an unfair advantage for Comcast's competitors (e.g. system design maps, engineering plans, programming contracts, etc.) as confidential so long as permitted to do so under applicable law and only to disclose it to Borough employees, agents, or representatives who have a need to know or in order to enforce the provisions of this Agreement. In the event a request is made by an individual or entity not an employee, agent or representative of the Borough acting in their official capacity for information related to the franchise and marked by Comcast as confidential and/or proprietary, the Borough shall timely notify Comcast of such request and shall cooperate with Comcast in protecting its proprietary and confidential information to the extent permitted by applicable law. Comcast shall not be required to provide Subscriber information in violation of Section 631 of the Cable Act, or information which is not relevant to regulation of the franchise (e.g. employee files, tax returns, etc.).

5.2 RIGHT TO CONDUCT COMPLIANCE REVIEW

Not more than twice during the term of this Agreement, the Borough or its representatives may conduct a full compliance review with respect to whether Comcast has complied with the material terms and conditions of this Agreement so long as it provides Comcast with forty-five (45) days' written notice in advance of the commencement of any such review. Such notice shall specifically reference the section(s) or subsection(s) of the Agreement that is (are) under review, so that Comcast may organize the necessary records and documents for appropriate review by the Borough. Within thirty (30) days of a written request, Comcast shall provide the Borough with copies of records and documents related to the cable compliance review. The period for any such review shall be for not more than the sixty (60) months immediately previous to the notice. The Borough shall promptly inform Comcast in accordance with Section 8.1 of any alleged non-compliance issues that result from the compliance review.

5.3 RESERVED AUTHORITY

The Borough reserves the regulatory authority arising from the Cable Act and any other applicable federal or state laws or regulations. Nothing in this Agreement shall remove, restrict or reduce the Borough's authority, rights and privileges it now holds, or which hereafter may be conferred upon it, including any right to exercise its police powers in the regulation and control of the use of the Public Rights-of-Way.

5.4 POLICE POWERS

Comcast's rights under this Agreement are subject to the police powers of the Borough to adopt and enforce general laws and regulations necessary for the safety and welfare of the public. Such laws and regulations are separate and distinct from the terms and conditions contained in this Agreement. If the Borough's exercise of the police power results in a material alteration of the terms and conditions of this Agreement, then the parties shall negotiate amendments in good faith to this Agreement to the mutual satisfaction of both parties to ameliorate the negative effects on Comcast of the material alteration.

5.5 NO LIMITATION ON TAXING OR FEE AUTHORITY

Nothing in this section or in this Agreement shall be construed to limit the authority of the Borough to impose any tax, fee or assessment of general applicability. Such taxes, fees or assessments shall be in addition to Franchise Fees.

5.6 PERMITS

Comcast shall apply to the Borough for all generally-applicable required permits and shall not undertake any activities in the Public Rights-of-Way subject to a permit without receipt of such permit, the issuance of which shall not be unreasonably withheld by the Borough. Comcast shall not be required to obtain permits for Cable Service drops for individual Subscribers or for servicing or installation of pedestals or routine maintenance that does not disturb surface grade or impact vehicular traffic. Comcast shall pay any and all required permit fees.

5.7 REPORTING

In addition to the other reporting requirements contained in this Agreement, upon written request, Comcast shall provide the following reports to the Borough:

(a) Subscriber Complaint Reports

Within thirty (30) days of a written request and no more than once per year, Comcast shall submit to the Borough a report showing the number of Complaints, as defined in Section 1(g), that required a service call, originating from the Borough and received during the previous 12-month reporting period, the dates they were received, summary descriptions of the Complaints, the dates the Complaints were resolved and summary descriptions of the resolutions.

In addition, and upon written request, Comcast shall provide a report containing at least the following statistical information for the previous 12-month period:

- (1) Number of repair service requests received;
- (2) Breakdown by type of complaint received (i.e. complete outage, snowy picture, etc.);
- (3) Breakdown by cause of problem (i.e. subscriber equipment, drop/converter, system, etc.);
- (4) Number of known service interruptions in excess of 30 minutes and the approximate length of time of each such interruption

(b) Government Reports

Comcast shall provide to the Borough, upon written request, copies of any and all communications, reports, documents, pleadings and notifications of any kind which Comcast has

submitted to any federal, state or local regulatory agencies if such documents relate specifically to Comcast's Cable System within the Borough. Comcast shall provide copies of such documents no later than thirty (30) days after their request.

SECTION 6

COMPENSATION TO THE BOROUGH

6.1 FRANCHISE FEES

Comcast shall pay to the Borough an amount equal to five percent (5%) of the Gross Revenues derived from the operation of its Cable System to provide Cable Service in the Borough. Comcast shall not deduct or otherwise credit against the Franchise Fee any tax, fee or assessment of general applicability, unless required by law. The Borough may amend the Franchise Fee upon written notice to Comcast provided that the Franchise Fee may not exceed the maximum percentage permitted by law. A copy of the Resolution or Ordinance authorizing the Franchise Fee rate adjustment by the Borough shall accompany such written notice. Any change in Comcast's Franchise Fee obligation contained herein shall commence within ninety (90) days from such written notice.

6.2 QUARTERLY PAYMENTS

Franchise Fee payments to the Borough under this provision shall be computed at the end of each calendar quarter. Such payments shall be made within forty-five (45) days following the end of each of the first three calendar quarters and sixty (60) days after the fourth calendar quarter. Specifically, payments shall be due and payable on or before May 15 (for the first quarter), August 15 (for the second quarter), November 15 (for the third quarter), and March 1 (for the fourth quarter). In the event that any Franchise Fee payment is not made on or before the date by which it is due, then interest calculated at the then-current prime rate, as published by the Wall Street Journal, shall be added to the amount of Franchise Fee revenue due to the Borough. The interest rate shall be applied as described from the date such Franchise Fee payment was originally due. No acceptance of any payment shall be construed as an accord that the amount paid is in fact the correct amount, nor shall acceptance of any payment be construed as a release of any claim the Borough may have for additional sums payable under this Agreement. Upon request and if mutually agreeable, Comcast shall deposit the Franchise Fee payments electronically into an account as designated by the Borough.

6.3 QUARTERLY REPORTS

Within ten (10) days of each Franchise Fee payment described in Section 6.2 above, Comcast shall provide a written report containing an accurate statement of Comcast's Gross Revenues received for Cable Services for each calendar quarter in connection with the operation of Comcast's Cable System and showing the basis for the computation of fees. Specifically, the report shall contain line items for sources of revenue received and the amount of revenue received from each source. The report shall be verified by a financial representative of Comcast.

6.4 FRANCHISE FEE REVIEW

Not more than twice during the franchise term, the Borough shall have the right to conduct a Franchise Fee review or audit of Comcast's records reasonably related to the sources, amounts and computation of Gross Revenues. Any such Franchise Fee review or audit shall occur within sixty (60) months from the date the Borough receives such payment, after which period any such payment shall be considered final. Within thirty (30) days of a written request, Comcast shall provide the Borough with copies of financial records related to the Franchise Fee review or audit.

(a) In the event of an alleged underpayment, the Borough shall provide Comcast with a written statement indicating the basis for the alleged underpayment. If the Franchise Fee review or audit reveals that there have been no underpayments, the Borough shall provide written notice to Comcast indicating that no underpayments were found and that the Franchise Fee review is closed. Comcast shall have thirty (30) days from the receipt of the statement regarding an alleged underpayment to provide the Borough with any written objection to the results of the Franchise Fee review, including any substantiating documentation. Based on this exchange of information, the Borough shall make a final determination of the underpayment(s), if any, within thirty (30) days of Comcast's objection and shall provide Comcast with written notice of the determination. If Comcast disputes the Borough's final determination, it may submit the dispute to mediation or arbitration within thirty (30) days of receiving the Borough's written notice of determination. In the event that Comcast fails to submit the matter to mediation or arbitration within the required time period, the Borough's final determination shall be binding on Comcast.

(a) Any Franchise Fee payment due to the Borough as a result of the Franchise Fee review shall be paid to the Borough by Comcast within forty-five (45) days from the date the Borough notifies Comcast of its final determination, or if the matter is submitted to mediation or litigation, within forty-five (45) days from the final disposition of such action. If the Franchise Fee review shows that Franchise Fees have been underpaid, then Comcast shall pay the underpaid amount plus interest from the due date equal to the then-current prime rate of interest as published in *The Wall Street Journal* on the underpayment amount. If Franchise Fees have been underpaid by five percent (5%) or more, then Comcast shall also pay up to three thousand dollars (\$3,000) of documented out-of-pocket costs of the Franchise Fee review. Any entity employed by the Borough that performs an audit or franchise fee review shall not be permitted to be compensated on a success based formula, e.g. payment based upon underpayment of fees, if any.

6.5 BUNDLED SERVICES

All revenue earned from bundled services shall be allocated to Cable Service and non-Cable Service in accordance with generally accepted accounting principles (GAAP). It is understood that in some cases equipment and other non-service charges may be allocated at full retail price due to requirements related to sales taxes or similar tax requirements. To the extent such allocations are discretionary or otherwise not addressed by GAAP, allocations of revenue from such bundles shall not be structured for the purpose of evading franchise fees applicable to Cable Services.

SECTION 7
SERVICES TO THE COMMUNITY

7.1 SERVICES TO COMMUNITY FACILITIES

(a) Comcast shall provide a Cable Service drop and Basic Service with any necessary cable box to one outlet at each Public Building listed in Exhibit A. If Comcast intends to charge for the services required by this section, it will give the Borough one hundred twenty (120) days' written notice of the commencement of charges. The charges shall be consistent with applicable law – as of the Effective Date, defined as the “marginal cost” of providing such Cable Services. Comcast shall provide to the Borough in writing reasonable detail sufficient to substantiate the marginal cost and the amount due. Comcast shall arrange with the Borough for invoicing or deductions from the franchise fee. Charges may include those for services and equipment, if any, at each location. Charges may include applicable fees and taxes and may be subject to adjustment if consistent with applicable law. The Borough may remove locations or change the level of Cable Service indicated on Exhibit A with thirty (30) days' written notice to Comcast. The Borough may elect in writing not to receive the Cable Service, in which case it will not be invoiced and no deduction will be taken from the franchise fee.

(b) During the term of the Franchise, the Borough may change a Public Building location listed in Exhibit A upon ninety (90) days' written notice to Comcast, provided that the new location is a standard installation and within one hundred twenty-five (125) feet of existing Comcast cable distribution plant.

7.2 EDUCATIONAL AND GOVERNMENTAL (EG) CHANNEL

(a) Comcast shall continue to make available to the Borough the use of one (1) Educational and one (1) Governmental (collectively “EG”) Access Channel in accordance with Section 611 of the Cable Act. Such EG Channels shall be used for community programming related to educational and/or governmental activities. The Borough shall have complete control over the content, scheduling, administration and all other programming aspects of the EG Channels, and may delegate such functions, or a portion of such functions, to a designated access provider. Comcast shall not exercise any editorial control over EG Channel programming. Comcast shall cablecast the activated EG Channels so that they may be received by all Comcast Subscribers in the Borough.

(b) To enable the Borough to utilize the EG Channels, Comcast shall continue to maintain direct links, including activation equipment capable of transmitting high quality video and audio between the video origination locations and the Comcast headend such that live programming can originate from these selected locations and be distributed via the Cable System to Subscribers in the Borough. These links and equipment shall be collectively known as the “Return Lines.” Comcast shall determine the engineering solution necessary to allow distribution of the EG Channel programming, via the Cable System, to Subscribers in the Borough.

(c) Comcast shall be responsible for maintaining the Return Lines to the origination sites of the EG Channels so long as the Borough provides Comcast with access to such locations and access to the EG Channel equipment within such locations. Comcast shall provide, install and maintain in good working order the equipment and the cable necessary for transmitting the signal to the channel aggregation site for further processing and distribution to Subscribers. Comcast shall maintain the EG Channels in accordance with the same FCC technical specifications that are comparable to the specifications used to maintain commercial channels transmitted to Subscribers on the Cable system, except that it shall not be responsible for the technical signal quality of programming produced by any EG channel programmer.

(d) Any expenditure made in connection with the construction of the Return Lines shall be at the expense of the Borough. The Borough and Comcast further agree that all costs incurred by Comcast for supporting such EG Channels, including any and all equipment, and EG capital support grants may be designated as “costs of franchise requirements” or “external costs” as defined by the FCC and Comcast reserves its right to pass these costs through to the Subscribers pursuant to federal law.

(e) The Borough or its designee shall be responsible for providing any necessary production or playback equipment and shall be responsible for securing and supervising any trained/qualified personnel who conduct the operation of the EG channels. The Borough and Comcast agree to work cooperatively in implementing the EG channels through such means and in such manner as shall be mutually satisfactory.

(f) Within one hundred eighty (180) days of a written request by the Borough, Comcast shall, at the Borough’s expense, relocate the EG origination site(s) and the associated Return Line(s) as follows: (i) Comcast’s obligation shall be subject to the same terms and conditions that apply to the original EG origination site(s) in this Section; and (ii) the Borough shall provide access to such site(s) at least ninety (90) days prior to anticipated use of the new EG origination site(s). The timeline for relocation of the EG origination site(s) shall be subject to the timely granting of any and all required permits, walk-out, make ready, and the detection of all underground utilities.

(g) In the event the Borough or its designee does not program any EG Channel(s), Comcast may request the use of this channel(s) subject to written approval by the Borough. If the Borough approves Comcast’s use of an EG Channel(s) and, subsequent to such approval, the Borough requests the utilization of the EG Channel(s) being programmed by Comcast, Comcast shall relinquish such use no later than sixty (60) days after receipt of written notification from the Borough that it requires such channel(s) for educational and/or governmental use.

(h) Comcast shall use its best efforts to maintain the channel assignments for the current EG Channels as of the Effective Date. Notwithstanding the foregoing, in the event

that Comcast deems a change in any EG Channel assignment to be necessary and changes any channel assignment in accordance with this Section, Comcast shall provide the Borough thirty (30) days' advance written notice of any change in EG Channel assignments.

(i) Upon the written request of the Borough and no sooner than twelve (12) months after the Effective Date, the parties agree to meet and discuss the possibility of distributing one (1) EG Channel in High Definition (HD) format. The parties further agree to discuss the number of hours of locally produced, non-automated, non-character generated, non-satellite EG Access content produced in HD by the Borough, the future plans of the Borough to produce such local content in HD format, reclamation of the existing Standard Definition (SD) EG Channel and any necessary upgrade and equipment costs.

(j) Upon agreement of the parties, if the Borough is producing a majority of its locally produced, non-automated, non-character generated, non-satellite EG Access content in HD, upon two hundred seventy (270) days' written request and payment of any necessary upgrade and equipment costs by the Borough, Comcast shall provide all necessary equipment at the designated channel origination location(s) and at its Headend and hubs or similar distribution facilities necessary to deliver and activate one (1) activated EG Channel in HD format to Subscribers.

(k) No sooner than one (1) year from activation of the HD Channel, Comcast shall have the right to reclaim the corresponding SD EG Channel.

(l) The Borough or its EG Access Designee shall be responsible for providing the HD EG Channel signal in a HD format compatible with Comcast's equipment in the Cable System at the applicable demarcation point.

(m) The Borough acknowledges that HD programming may require special viewer equipment and subscription to advance services and that by agreeing to make one (1) EG Channel available in HD format, Comcast shall not be required to provide free HD equipment to Subscribers, or for the Borough or the public schools, nor modify its equipment or pricing policies in any manner, except as otherwise expressly provided for in this Agreement. The Borough acknowledges that not every Subscriber may be able to view HD EG Access Programming on every TV, and additional costs may be required for the reception of HD programming.

(n) Comcast may implement HD carriage of the EG Channel in any manner (including selection of compression, utilization of IP (Internet Protocol), or other processing characteristics) that produce a signal from the perspective of the viewer that is substantially equivalent to similar commercial HD channels on the Cable System.

SECTION 8
ENFORCEMENT, INSURANCE AND INDEMINIFICATION

8.1 VIOLATIONS AND OPPORTUNITY TO CURE

(a) If the Borough has reason to believe that Comcast violated any material provision of this Agreement, it shall notify Comcast in writing of the nature of such violation and the section(s) of this Agreement that it believes has been violated and the details relating thereto. The person providing such notice shall do so pursuant to the requisite authority of the Borough.

(b) Comcast shall have forty-five (45) days to cure such violation after written notice is received by taking reasonable steps to comply with the terms of this Agreement. If the nature of the violation is such that it cannot be fully cured within forty-five (45) days, the period of time in which Comcast must cure the violation shall be extended by the Borough in writing for such additional time necessary to complete the cure, provided that Comcast shall have promptly commenced to cure and is taking reasonable steps to complete the cure in the reasonable judgment of the Borough.

(c) If the violation has not been cured within the time period allowed under Section 8.1(b) and, in the Borough's judgment, Comcast has not taken reasonable steps to cure the violation, then the Borough may deem that Comcast is liable for liquidated damages and/or any other right or remedy in accordance with this Section 8.

8.2 LIQUIDATED DAMAGES

(a) Because Comcast's failure to comply with the material terms of this Agreement may result in harm to the Borough and because it will be difficult to measure the extent of such injury, the Borough may assess liquidated damages against Comcast in the amount of Two Hundred Fifty Dollars (\$250.00) per day for each day the violation continues, provided Comcast has had an opportunity to cure in accordance with Section 8.1(b). Such damages shall not be a substitute for specific performance by Comcast but shall be in addition to such specific performance.

(b) The first day for which liquidated damages may be assessed, if there has been no cure after the end of the applicable cure period, shall be the day after the end of the applicable cure period, including any extension of the cure period granted by the Borough. Liquidated damages may not be assessed for a time period exceeding one hundred twenty (120) days per violation. The Borough may commence revocation proceedings and/or initiate an action in law or equity in a court of competent jurisdiction after the assessment of liquidated damages or in lieu of liquidated damages. With respect to liquidated damages assessed, all similar violations or failures resulting from the same factual events affecting multiple Subscribers shall be assessed as a single violation.

8.3 REVOCAION

(a) In addition to the other rights, powers and remedies retained by the Borough under this Agreement, the Borough reserves the separate and distinct right to revoke this Franchise if:

(1) It is demonstrated that Comcast practiced any fraud or deceit upon the Borough in the operation of its Cable System or any other activities pursuant to this Agreement;

(2) Comcast repeatedly fails, after notice and opportunity to cure, to maintain signal quality pursuant to the standards provided for by the FCC or the technical requirements set forth in Section 3.1;

(3) Comcast repeatedly violates, after notice and opportunity to cure, one or more of the material terms or conditions of this Agreement;

(b) The foregoing shall not constitute a violation of a material term or condition if the violation occurs without the fault of Comcast or occurs as a result of circumstances beyond its control or by reason of Force Majeure as defined in Section 9.1. Comcast shall not be excused from the performance of any of its obligations under this Franchise by mere economic hardship or by the misfeasance or malfeasance of its directors, officers or employees.

(c) A revocation shall be declared only by a written decision of the Board of Commissioners after an appropriate public hearing that shall afford Comcast due process and full opportunity to be heard. This shall include the ability to introduce evidence, to question witnesses and to respond to any notice of grounds to terminate in accordance with the standards of a fair hearing applicable to administrative hearings in the Commonwealth of Pennsylvania. All notice requirements shall be met by providing Comcast at least thirty (30) days' prior written notice (via certified mail-return receipt requested) of any public hearing concerning the proposed revocation of this franchise. Such notice shall state the grounds for revocation. The Borough, after a public hearing and upon finding the existence of grounds for revocation, may either declare this franchise terminated or excuse such grounds upon a showing by Comcast of mitigating circumstances or good cause for the existence of such grounds. The Borough shall issue such declaration and finding within thirty (30) days in a written decision which shall be sent via certified or overnight mail to Comcast. If Comcast appeals such determination to an appropriate court, the revocation shall be stayed.

8.4 PERFORMANCE BOND

(a) Comcast shall obtain and maintain, throughout the term of this Agreement, at its sole cost and expense, a performance bond with a surety company licensed to do business in the Commonwealth of Pennsylvania to ensure Comcast's faithful performance of its obligations. The performance bond shall provide that the Borough may recover from the principal and surety any and all liquidated damages and/or compensatory damages incurred by the Borough for Comcast's violations of this Agreement, after notice and opportunity to cure, in accordance with Sections 8.1 and 8.2.

(b) The performance bond shall be in the amount of Twenty-Five Thousand Dollars (\$25,000). Comcast shall not reduce, cancel or materially change said bond from the requirement contained herein without the express prior written permission of the Borough.

8.5 INSURANCE

(a) Comcast shall obtain and maintain, in full force and effect, at its sole cost and expense, during the Franchise term, the following minimum insurance coverage with an insurance company that is authorized to conduct business in Pennsylvania and which has an A.M. Best rating (or equivalent) no less than A-minus VII, indemnifying the Borough from and against any and all claims for injury or damage to persons or property, both real and personal, caused by the construction, installation, reconstruction, operation, maintenance or removal of the Cable system by Comcast or any of its contractors, subcontractors, agents or employees in the following amounts:

(1) The amount of such insurance against liability for damage to property shall be no less than One Million Dollars (\$1,000,000) as to any one (1) occurrence.

(2) The amount of such insurance against liability for injury or death to any person shall be no less than One Million Dollars (\$1,000,000).

(3) The amount of such insurance for excess liability shall be Three Million Dollars (\$3,000,000) in umbrella form.

(4) The amount of such insurance against all claims arising out of the operation of motor vehicles shall be One Million Dollars (\$1,000,000) combined single limit per occurrence.

(b) The Borough, its officials and employees, shall be designated as additional insureds under each of the insurance policies required in this Section 8.5.

(c) Comcast shall not cancel any required insurance policy without obtaining alternative insurance in conformance with this Section 8.5 and without submitting insurance certificates to the Borough verifying that Comcast has obtained such alternative insurance. Comcast shall provide the Borough with at least thirty (30) days' prior written notice in the event the policies are cancelled or not renewed.

(d) Comcast shall deliver to the Borough Certificates of Insurance showing evidence of the required coverage within thirty (30) days of a written request by the Borough.

8.6 INDEMNIFICATION

Comcast shall indemnify, defend, save and hold harmless the Borough, its elected and appointed officials, officers, agents and employees acting in their official capacities, from claims for injury, loss, liability, cost or expense arising in whole or in part from, caused by or connected with any act or omission of Comcast, its officers, agents, contractors, subcontractors or employees, arising out of, but not limited to, the construction, installation, upgrade, reconstruction, operation, maintenance or removal of the Cable System. The Borough shall give Comcast timely written notice of its obligation to indemnify and defend the Borough. The obligation to indemnify, defend, save and hold the Borough harmless shall include, but not be limited to, the obligation to pay judgments, injuries, liabilities, damages, penalties, and reasonable attorneys' fees. If the Borough

determines that it is necessary for it to employ separate counsel, in addition to that provided by Comcast, the cost for such separate counsel shall be the responsibility of the Borough. Comcast shall not indemnify the Borough for any claims resulting from acts of willful misconduct or negligence on the part of the Borough.

SECTION 9 **MISCELLANEOUS**

9.1 FORCE MAJEURE

If for any reason of Force Majeure, Comcast is unable in whole or in part to carry out its obligations hereunder, Comcast shall not be deemed in violation of this Agreement during the continuance of such inability. Upon written (including electronic) request by the Borough, Comcast shall inform the Borough within thirty (30) days of receipt of the request whether or not Comcast has determined that a condition of Force Majeure exists.

9.2 REMOVAL OF SYSTEM

(a) Upon lawful termination or revocation of this Agreement, Comcast shall remove its supporting structures, poles, transmissions and distribution systems and other appurtenances from the streets, ways, lanes, alleys, parkways, bridges, highways, and other public and private places in, over, under, or along which they are installed and shall reasonably restore the areas to their original condition. If such removal is not completed within six (6) months of such lawful termination or revocation, the Borough or property owner may deem any property not removed as having been abandoned and the Borough may remove it at Comcast's cost.

(b) During the term of the Agreement, if Comcast decides to abandon or no longer use all or part of its Cable System, it shall give the Borough written notice of its intent at least ninety (90) days prior to the announcement of such decision, which notice shall describe the property and its location. Upon Comcast's abandonment of the Cable System, the Borough shall have the right to either require Comcast to remove the property, remove the property itself and charge Comcast with the reasonable costs related thereto.

(c) Notwithstanding the above, Comcast shall not be required to remove its Cable System, or to relocate the Cable System, or to sell the Cable System, or any portion thereof as a result of revocation, denial of renewal, or any other lawful action to forbid or disallow Comcast from providing Cable Services, if the Cable System is actively being used to facilitate any other services not governed by the Cable Act.

If suit is brought by a party to this Agreement, the parties agree that trial of such action shall be vested exclusively in the state courts of Pennsylvania, Montgomery County or in the United States District Court for the Eastern District of Pennsylvania.

9.7 TRANSFER, ASSIGNMENT OR CHANGE IN CONTROL

(a) Neither Comcast nor its parent nor any Affiliated Entity shall transfer, assign or otherwise encumber, through its own action or by operation of law, its right, title or interest in the Cable System or in this Agreement without the prior written consent of the Borough, provided that such consent shall not be unreasonably withheld.

(b) Neither Comcast nor its parent nor any Affiliated Entity shall change, transfer or assign, through its own action or by operation of law, its control of the Cable System or of this Agreement without the prior written consent of the Borough, provided that such consent shall not be unreasonably withheld.

(c) Neither Comcast nor its parent nor any Affiliated Entity shall sell, convey, transfer, exchange or release fifty-one percent (51%) or more of its direct ownership in the Cable System without the prior written consent of the Borough, provided that such consent shall not be unreasonably withheld.

(d) No such consent shall be required for (i) a transfer in trust, by mortgage, hypothecation, or by assignment to a financial institution of any rights, title or interest of Comcast in the Franchise or in the Cable System in order to secure indebtedness; or (ii) a transfer to an entity owned and/or controlled by Comcast.

(e) Comcast shall make written application to the Borough of any transfer, assignment or change in control as described above and shall provide all information required by FCC Form 394 and any other applicable federal, state, and local statutes and regulations regarding transfer or assignment. The Borough shall have thirty (30) days from the receipt of FCC Form 394 to notify Comcast of any additional information it needs to make an informed decision on the transfer or assignment. The Borough shall have one hundred twenty (120) days from the receipt of all required information to take action on the transfer or assignment.

(f) Any consent by the Borough for any transfer or assignment described above shall not be effective until the proposed transferee or assignee shall have executed a legally binding document stating that it shall be bound by all the terms and conditions contained in this Agreement.

9.8 ENTIRE AGREEMENT

This written instrument contains the entire agreement between the parties, supersedes all prior agreements or proposals whether written or oral except as specifically incorporated herein, and cannot be changed without written amendment approved by both the Borough and Comcast.

This Agreement supersedes all prior cable franchise agreements or cable ordinances, or parts of cable franchise agreements or cable ordinances, agreements, representations or understandings, whether written or oral, of the parties regarding the subject matter hereof that are in conflict with the provisions herein.

9.9 SEPARABILITY

If any section, provision or clause of this Agreement is held by a court of competent jurisdiction to be illegal, invalid or unenforceable, or is pre-empted by federal or state laws or regulations, such section, provision or clause shall be deemed to be separable from the remaining portions of this Agreement and shall not affect the legality, validity or enforceability of the remaining portions of this Agreement.

9.10 NO WAIVER OF RIGHTS

No course of dealing between the Borough and Comcast, nor any delay on the part of the Borough in exercising any rights hereunder, shall operate as a waiver of any such rights of the Borough or acquiescence in the actions of Comcast in contravention of such rights, except to the extent expressly waived by the Borough.

No course of dealing between Comcast and the Borough, nor any delay on the part of Comcast in exercising any rights hereunder, shall operate as a waiver of any such rights of Comcast or acquiescence in the actions of the Borough in contravention of such rights, except to the extent expressly waived by Comcast.

9.11 CHANGE OF LAW

In the event there is a change in a federal or state statute or regulation applicable to the Cable System or to this Agreement, the Borough or Comcast may notify the other party of its desire to amend this Agreement in order to comply with the change in statute or regulation. The Borough and Comcast shall amend this Agreement to comply with such change in statute or regulation provided such amendment is approved by the Borough and Comcast.

9.12 COMPLIANCE WITH LAWS

Comcast shall comply with all federal, state and generally applicable local laws and regulations.

Nothing in this Agreement is or was intended to confer third-party beneficiary status on any person other than the parties to this Agreement to enforce the terms of this Agreement.
