3. PUBLIC INPUT: Vice President Burns asked if there was any Public Input. There was no media present.

MESSAGE FROM PRESIDENT GIRARD

Vice President Burns read a statement from Council President Girard, who was unable to attend the meeting, regarding the recent zoning decision concerning the North Broad Street development proposal. President Girard acknowledged the concerns and differing opinions expressed by

residents and others following the decision and explained that Council's determination was based on input from the Planning Commission, public comments, the proposed development, applicable zoning regulations, the Borough's Comprehensive Plan, and considerations including infrastructure, traffic, neighborhood compatibility, and community services.

President Girard noted that the operational needs of the Hatfield Fire Department, including adequate access and parking for emergency personnel, were an important consideration in the decision to retain residential zoning in the area. He stated that the decision does not indicate that commercial development is unwelcome in the Borough, but that zoning decisions must consider the circumstances and needs specific to each location.

President Girard also addressed recent public commentary regarding the decision and encouraged respectful and constructive dialogue, while recognizing the efforts of Council members in considering the matter. He encouraged continued participation from Borough residents and expressed his appreciation for the current Council and the work they undertake on behalf of the community.

4. ANNOUNCEMENTS: Manager Jaime E. Snyder made the following announcements.

- The Borough Offices will be closed on Monday, September 7, 2026 in Observation of the Labor Day Holiday

5. Land Development Presentation: 200 N. Main Street, Laudenslager Senior Apartments

Representatives for the applicant presented an overview of the proposed development, which includes property located in both Hatfield Borough and Hatfield Township. The Borough portion of the property consists primarily of the existing Biblical Theological Seminary building, parking, driveway access, utilities, stormwater improvements, and landscaping. The overall project is proposed to be completed in phases, with the new construction located primarily within Hatfield Township and the existing seminary building proposed for redevelopment as part of a later phase. The applicant is also seeking an extension of previously granted zoning relief and is proceeding with land development approvals with both the Borough and Township.

The applicant's representatives reviewed the proposed site improvements, stormwater management, utilities, landscaping, parking, and requested waivers. The proposed waivers include combining the preliminary and final land development applications, partially waiving certain existing-condition survey requirements, allowing parking within 20 feet of the property line, and allowing more than 18 parking spaces without an intervening landscaped island. The applicant stated that the proposed improvements would maintain or improve upon existing conditions and that additional landscaping and buffering would be provided along the southern property line. Council discussed the proposed phasing and requested additional information regarding the timing

of each phase and the condition of the property between phases. The applicant indicated that Phase 1 would include the first proposed building, associated parking, driveway improvements, circulation, and the northern stormwater basin. Phase 2 would include additional parking, underground utilities, and a second building, while Phase 3 would involve redevelopment of the existing seminary building. The applicant stated that Phase 1 construction is anticipated to take approximately 12 to 13 months, with subsequent phases dependent on funding and approvals. Council asked questions regarding stormwater management and why stormwater basins are required given that the overall impervious coverage would not significantly increase. The applicant's engineer explained that current stormwater regulations require consideration of existing impervious areas in determining pre- and post-development conditions and that the proposed stormwater improvements are intended to address runoff and improve existing conditions. Council also discussed the proposed electrical and sanitary sewer connections. The applicant indicated that the existing building is currently connected to Borough utilities and that the applicant is working with the Borough regarding electrical service to the proposed buildings. Electrical service was noted as being under legal review. The applicant also indicated that, due to the existing sanitary sewer moratorium and site conditions, the proposed buildings may connect to the Fairgrounds Road sanitary sewer system.

A significant portion of the discussion concerned parking. Council questioned whether the proposed 127 parking spaces would be sufficient for the approximately 114-unit age-restricted development, including parking needs for staff and potential overflow parking. The applicant stated that the proposed parking exceeds the Borough's requirement and that similar age-restricted developments have historically experienced lower vehicle ownership. Council requested additional information or analysis regarding parking demand at comparable developments so that potential parking concerns could be evaluated and addressed before approval. Council further discussed the potential impact of parking on North Main Street and whether additional measures, including consideration of on-street parking restrictions or public transportation access, may be appropriate. The applicant noted that a traffic impact study had been prepared, and Council requested additional information specifically addressing parking demand rather than traffic flow.

Council questioned the partial survey waiver and requested clarification regarding potential impacts to neighboring properties. Discussion included existing access used by the school district and Little League to reach nearby athletic fields. Council suggested that the affected parties be notified if the existing parking/access arrangement would no longer be available.

Council also discussed the proposed parking setback and fencing along the southern property line. The applicant indicated that the existing parking area would remain generally in its current location and that buffering would be provided. Council indicated that the proposed arrangement could be further discussed as the plans progress, including the type of fencing or landscaping. The applicant was asked about a previously imposed zoning condition requiring a stormwater pipe along North Main Street. The applicant indicated that, due to the revised stormwater design and proposed drainage direction, the condition is no longer considered practical and that the applicant intended to request modification or removal of that condition through the zoning process.

The Vice President of the Hatfield Fire Company also asked whether the proposed 114-unit development would include personal care or medical services. The applicant confirmed that the project consists of age-restricted residential apartments and would not include personal care or medical facilities. The applicant also stated that fire lanes, signage, and required fire protection measures would be incorporated into the project.

Council asked about providing an ADA-accessible pedestrian connection from the proposed building through the parking area to the sidewalk along Main Street. The applicant indicated that the sidewalk network would extend along the development and that an ADA connection could potentially be provided through an area where parking is not located. Council also discussed the possibility of providing an outdoor common area or courtyard space for residents, with the applicant indicating that the owner was open to discussing site furnishings or other improvements.

Finally, Council asked about an existing driveway between the residential properties and the development site. The applicant indicated that the driveway would remain generally unchanged and that a barrier or gate may be installed to separate the areas while allowing emergency access. The applicant representatives stated that they would continue working with Borough staff and the Borough Engineer regarding the outstanding comments, waivers, utility connections, phasing, and other plan details. No formal land development approval was granted at this meeting, as the applicant must first obtain the necessary zoning relief and address outstanding review comments and conditions.

6. Public Hearing: Ordinance No. 562 Amending Chapter 2 (Animals) of the Code of Ordinances of the Borough of Hatfield, Providing Definitions and Conditions to Regulate the Keeping and Feeding of Feral / Outdoor Cats in the Borough

Vice President Burns suspended the Regular Scheduled Public Meeting and opened the Scheduled Conditional Use Hearing.

Solicitor Harper: This is the update to the current cat ordinance which we have been working on for months and months and months. So, we have advertised tonight for a public hearing and I do have an exhibit to mark, two exhibits to mark and give to Katie to make sure that we have them in the minutes. Borough 1 is an affidavit of proof of publication proving that we published in the news papers and that we are considering adopting a new feral cat ordinance and B2 is a copy of the ordinance itself. Borough Council has discussed this several times and the purpose of the public hearing is to let the public comment about this ordinance. The committee worked very hard on this ordinance and it basically provides a pathway to allow people to feed feral cats but only if they registered and cats have certain characteristics that prove that they are sterilized and marked and things like that because feeding feral cats creates a nuisance in the borough because when you feed feral cats you get a lot more feral cats and they don't just hang out on your property they hang out on all of your neighbors properties and the borough has had complaints. So, what we have tonight is the boroughs consideration of an ordinance that prevents feeding of feral cats but only under certain circumstances. If you feed feral cats without going through the circumstances which is registering and making sure that the cats are neutered and that you are taking care of them then you are going to get a fine. It announces 3 fines first offence is only \$50 and you will be informed that you have to register, second offence \$100, third offence \$200 and forth offence \$500. So, what we are trying to do is to get people to realize that they have come into compliance if they don't come into compliance it's going to get very expensive. We can take other actions as well, but it seems to me that once people start getting fines for feeding feral cats, they will start to realize that the borough is serious about this. That is basically the exhibits showing that the borough properly advertised and I just gave you a summary of the ordinance. Mr. Chairman I think the best thing you can do is to ask for questions from Borough Council than ask for questions from anybody out in the audience.

Vice President Burns: Anybody on Borough Council have any questions on the proposed ordinance? Hearing none does anybody from the audience have any questions?

Solicitor Harper: Records should reflect that no one on Borough Council nor anybody in the audience, there are people in the audience and none raised any issues in regard to the borough cat ordinance. We will close the public hearing and this is on the agenda for action.

Public hearing closed at 8:26 PM.

10. NEW BUSINESS / DISCUSSION ITEMS:

A. 23 N. Main Street – Hatfield Walk, Sitework Escrow Release No. 1

Manager Snyder stated that Sitework Escrow Release No. 1 for 23 N. Main Street, Hatfield Walk, is before Council for consideration. Based on the current construction status, the Borough Engineer is recommending a sitework escrow release in the amount of \$326,799.30.

B. Defined Benefit Plan – 2027 Minimum Municipal Obligation

Manager Snyder explained that the Borough is required to approve a Minimum Municipal Obligation (MMO) annually for its defined benefit plan. The 2027 MMO is \$61,858.

C. Defined Contribution Plan – 2027 Minimum Municipal Obligation

Manager Snyder stated that the 2027 Minimum Municipal Obligation for the defined contribution plan is \$34,700. Both the defined benefit and defined contribution plan MMOs will be included in the 2027 budget and are before Council for consideration.

D. Resolution 2026-10 – KeyBank Investment Accounts

Manager Snyder reminded Council that the Borough had previously discussed consolidating its KeyBank investment accounts. She explained that the Borough currently maintains four investment accounts and is proposing to consolidate them into one investment account for administrative purposes and to reduce management fees. The investments themselves would remain the same. Manager Snyder further explained that Borough financial records would continue to track the funds separately for accounting and auditing purposes. Consolidating the accounts would allow the Borough to manage the investments more efficiently and potentially obtain better investment opportunities based on the larger combined balance.

E. Resolution 2026-11 – Closure of Certain Borough Roads for Fall Fest

Manager Snyder stated that Resolution 2026-11 is the annual resolution authorizing the closure of East Lincoln Avenue for the Borough's Fall Fest. The road closure is scheduled for September 19, 2026, from 12:00 p.m. to 8:00 p.m. Although there will not be a car show this year, the closure is requested for safety and traffic control due to vendors and pedestrian activity.

F. Ordinance No. 563 – Provisions for Penalties and Compliance for Vegetation and Snow Removal

Solicitor Harper explained that Ordinance No. 563 is intended to provide an alternative

enforcement process for matters such as sidewalk snow removal and vegetation maintenance. The proposed ordinance would provide the Code Enforcement Officer with a process to notify property owners of violations and allow an opportunity for compliance before pursuing enforcement through the District Judge. The proposed penalties would provide a five-day compliance period for vegetation violations, after which a \$25 daily penalty may be assessed. For snow removal violations, property owners would have 24 hours to comply, after which a \$25 daily penalty may be assessed until the violation is corrected. The Borough would retain the ability to pursue enforcement through the District Judge if the property owner does not comply. Council was asked to authorize advertisement of the proposed ordinance for consideration at a future meeting.

G. 43 Roosevelt Avenue – Escrow Release No. 2, Final Sitework Escrow

Manager Snyder stated that Sitework Escrow Release No. 2, the final sitework escrow release for 43 Roosevelt Avenue, is before Council for consideration in the amount of \$82,550.52. The release has been recommended by the Borough Engineer.

H. Payment Request No. 2 – Final Payment for Pedestrian Crossing Improvement Project

Solicitor Harper explained that the Borough Engineer has approved the final payment for the pedestrian crossing improvement project. However, a lawsuit was filed concerning an individual who was allegedly injured during construction of the project. Solicitor Harper stated that, under the Borough's contract with the contractor, the contractor was required to provide insurance and agree to hold the Borough harmless in connection with such claims. The Borough previously notified the contractor of the pending lawsuit and requested confirmation that the claim would be accepted and handled pursuant to the contract. Solicitor Harper recommended that Council authorize the final payment contingent upon receipt of written confirmation from the contractor's insurance carrier that it will assume responsibility for the claim in accordance with the contract.

A. Junior Council Person Recognition:

MARCUS THOMPSON

Mayor Mary Anne Girard, Presiding

BOROUGH OF HATFIELD
MONTGOMERY COUNTY, PENNSYLVANIA
PROCLAMATION OF RECOGNITION AND COMMENDATION

WHEREAS, Marcus Thompson has served with distinction, dedication, and integrity as Junior Council Person for Hatfield Borough during the 2025-2026 school year; and

WHEREAS, throughout his term, Marcus has demonstrated leadership by representing the voices, interests, and aspirations of the community's youth; and

WHEREAS, Marcus has diligently attended council meetings, engaged thoughtfully in municipal discussions, and contributed valuable perspectives on issues, including community outreach, and youth engagement; and

WHEREAS, Marcus has exemplified the highest standards of public service, bridging the gap between municipal leadership and young constituents through energetic advocacy and collaborative problem-solving;

WHEREAS, Marcus' commitment to the community and his effective performance of his duties have contributed positively to the work of the council and the well-being of Hatfield;

NOW, THEREFORE, BE IT PROCLAIMED, that the Mayor and Borough Council of Hatfield Borough hereby recognize and commend Marcus for his service as Junior Council Person and extend their appreciation for his participation and interest in local government.

FURTHERMORE, we extend our warmest wishes for continued success in all future academic, civic, and professional endeavors.

IN WITNESS WHEREOF, we have hereunto set our hands and caused the official Seal of Hatfield Borough to be affixed this 16th day of September, 2026.

PUBLIC NOTICE

NOTICE IS HEREBY GIVEN THAT HATFIELD BOROUGH COUNCIL WILL HOLD A HEARING DURING A PUBLIC MEETING TO BE HELD ON WEDNESDAY, SEPTEMBER 16, 2026 AT 7:00 PM AT THE HATFIELD MUNICIPAL BUILDING AT 401 SOUTH MAIN STREET IN HATFIELD, PA AND WILL CONSIDER THE ADOPTION OF AN ORDINANCE OF HATFIELD BOROUGH, MONTGOMERY COUNTY, PENNSYLVANIA AMENDING CHAPTER 10 (HEALTH AND SAFETY) OF THE CODE OF ORDINANCES OF THE BOROUGH OF HATFIELD, PROVIDING FOR NOTICE AND ENFORCEMENT OF THE BOROUGH'S ORDINANCES REGARDING OVERGROWN WEEDS AND LAWNS, AND SNOW AND ICE NOT REMOVED WITHIN 24 HOURS OF A SNOW OR ICE EVENT AND FINES THEREFORE. THE FULL TEXT MAY BE EXAMINED DURING BUSINESS HOURS AT THE BOROUGH OFFICES, LOCATED AT 401 SOUTH MAIN STREET IN THE BOROUGH OR AT THE OFFICE OF THE REPORTER NEWSPAPER AT 307 DERSTINE AVE., LANSDALE, PA 19446, AS WELL AS AT THE MONTGOMERY COUNTY LAW LIBRARY AT THE MONTGOMERY COUNTY COURTHOUSE, ONE MONTGOMERY PLAZA, NORRISTOWN, PA 19404-0311. A SUMMARY OF THE ORDINANCE FOLLOWS:

BOROUGH COUNCIL HAS LONG RECOGNIZED THAT OVERGROWN GRASS AND WEEDS AND UNSHOVELED SNOWY SIDEWALKS CAN BE NUISANCES IN A NEIGHBORHOOD, AND HAS LONG HAD ORDINANCES THAT REQUIRE GRASS AND WEEDS TO BE CUT REGULARLY AND THAT SNOW BE REMOVED FROM SIDEWALKS WITHIN 24 HOURS; AND IT IS THE INTENT OF THIS ORDINANCE TO PROVIDE FURTHER REGULATIONS TO ENCOURAGE COMPLIANCE WITH THOSE LOCAL ORDINANCES BY PROVIDING FOR FINES TO BE PAID BY THOSE WHO DO NOT COMPLY WITH THE ORDINANCES, WHILE SIMULTANEOUSLY ADVANCING THE SUBSTANTIAL GOVERNMENT INTEREST OF PUBLIC SAFETY, HEALTH AND PROTECTION; AND FURTHER THE ORDINANCE PROVIDES FOR PENALTIES.

INTERESTED PARTIES ARE WELCOME TO ATTEND AND BE HEARD. THOSE REQUIRING SPECIAL ACCOMMODATIONS SHOULD CONTACT THE BOROUGH MANAGER JAMIE SNYDER IN ADVANCE OF THE HEARING.

COUNTY, PENNSYLVANIA, AMENDING CHAPTER 10 HEALTH AND
SAFETY AND CHAPTER 21 STREETS AND SIDEWALKS OF THE CODE
OF ORDINANCES OF THE BOROUGH OF HATFIELD, MONTGOMERY
COUNTY, PENNSYLVANIA TO REVISE AND RESTATE PROVISIONS
RELATING TO PENALTIES FOR FAILURE TO COMPLY**

WHEREAS, the Borough of Hatfield, Montgomery County, Pennsylvania (hereinafter "Borough") is a municipality organized and existing under the laws of the Commonwealth of Pennsylvania; and

WHEREAS, the Borough has enacted a Code of Ordinances pursuant to its statutory authority in the Pennsylvania Borough Code; and

WHEREAS, Borough Council has long recognized that overgrown grass and weeds and unshoveled snowy sidewalks can be nuisances in a neighborhood, and has long had ordinances that require grass and weeds to be cut regularly and that snow be removed from sidewalks within 24 hours; and

WHEREAS, it is the intent of this ordinance to provide further regulations to encourage compliance with those local ordinances by providing for fines to be paid by those who do not comply with the ordinances, while simultaneously advancing the substantial government interest of public safety, health and protection; and

NOW, THEREFORE, IT IS HEREBY ORDAINED by the Borough Council of Hatfield Borough, Montgomery County, Pennsylvania, to amend and restate portions of its existing Code of Ordinances as follows:

**CHAPTER 10 HEALTH AND SAFETY,
PART 1 GRASS, WEEDS AND OTHER VEGETATION**

SECTION 1. Chapter 10 of the Borough Code of Ordinances, "Health and Safety," Part 1, "Grass, Weeds and Other Vegetation," Section 10-105 shall be revised and amended to read as follows:

§10-105 Violations and Penalties.

A. Original Notice. Upon determining that a property is in violation of this Part, the Borough shall issue an Original Notice by placing a door hanger or other written notice on the property, advising the owner or occupant of the violation.

B. Compliance Period. The owner or occupant shall have five (5) days from the date the Original Notice is issued to bring the property into compliance with the requirements of this Part.

C. Daily Penalty. If the violation is not corrected within the five-day compliance period, the owner or occupant shall be assessed an administrative penalty of **Twenty-Five Dollars (\$25.00) per day** for each day the violation continues until the property is brought into compliance. Each day a violation continues shall constitute a separate violation.

D. Borough Abatement. In addition to the daily penalty, the Borough may proceed in accordance with § 10-103 to remove, trim, or cut the grass, weeds, or other vegetation and recover all costs incurred, together with any additional amounts authorized by law.

E. Summary Enforcement. Any person, firm or corporation who shall violate any provision of this Part, upon conviction thereof in an action brought before a Magisterial District Judge in the manner provided for the enforcement of summary offenses under the Pennsylvania Rules of Criminal Procedure, shall be sentenced to pay a fine of not more than **One Thousand Dollars (\$1,000.00)** plus costs and, in default of payment of said fine and costs, to imprisonment for a term not to exceed ninety (90) days. Each day that a violation of this Part continues, or each section of this Part found to have been violated, shall constitute a separate offense.

CHAPTER 21 STREETS AND SIDEWALKS, PART C SNOW AND ICE REMOVAL

SECTION 2. Chapter 21 of the Borough Code of Ordinances, "Streets and Sidewalks," Part C, SNOW AND ICE REMOVAL, is hereby amended so that § 21-223 is revised and amended to read as follows:

A. Original Notice. If snow or ice has not been removed within the twenty-four (24) hour period required by § 21-221, the Borough may issue an Original Notice by placing a door hanger or other written notice upon the property advising the owner, occupant or tenant of the violation.

B. Compliance Period Following Notice. The owner, occupant or tenant shall have twenty-four (24) hours from the issuance of the Original Notice to remove the snow and/or ice and bring the property into compliance.

C. Administrative Penalty. Following the Original Notice, if the violation is not corrected within the twenty-four (24) hour compliance period pursuant to § 21-221, the owner, occupant or tenant shall be assessed an administrative penalty of **Twenty-Five Dollars (\$25.00)** for each day the violation continues until the property is brought into compliance. Each day a violation continues shall constitute a separate violation.

D. Borough Removal. In addition to the administrative penalty, the Borough may remove the snow and/or ice pursuant to § 21-222 and recover all costs incurred, together with any additional amounts authorized by law.

E. Summary Enforcement. Any person, firm or corporation who violates any provision of this Part, upon conviction before a Magisterial District Judge in the manner provided for the enforcement of summary offenses under the Pennsylvania Rules of Criminal Procedure, shall be sentenced to pay a fine of not more than **One Thousand Dollars (\$1,000.00)** plus costs and, in default of payment of the

fine and costs, to imprisonment for a term not to exceed ninety (90) days. Each day that a violation continues, or each section of this Part found to have been violated shall constitute a separate offense.

SECTION 3. Severability. In the event that any section, sentence, clause, phrase or word of this Ordinance shall be declared illegal, invalid or unconstitutional by any court of competent jurisdiction, such declaration shall not prevent, preclude, or otherwise foreclose enforcement of any of the remaining portions of this Ordinance.

SECTION 4. Repealer. All ordinances or parts of ordinances inconsistent herewith are in conflict with any of the specific terms enacted hereby to the extent of said inconsistencies or conflicts, are hereby repealed.

SECTION 5. This Ordinance shall take effect as provided by law.

ORDAINED and ENACTED this ____ day of _____, 2026, by the Borough Council of Hatfield Borough with _____ voting “aye” and _____ voting “nay.”

**Amended Legal Notice
Hatfield Borough
Zoning Hearing Board**

NOTICE IS HEREBY GIVEN that the Zoning Hearing Board of Hatfield Borough will hold a hearing on September 24, 2026 at 7:00 p.m. at the Hatfield Borough Building, 401 South Main Street, Hatfield, Pennsylvania, to hear the Application of Laudenslager Campus Benefit, LLC, who requests: (1) a renewal and one year extension of the conditional zoning relief granted on July 13, 2022 to Alliance Housing Development, pursuant to Section 27-703(B)(2) of the Zoning Ordinance, as amended, which approved the change of one non-conforming use (as a seminary) to another nonconforming use (as an age-restricted retirement community campus), and established nine conditions for said use and proposed redevelopment of the property; and (2) the modification of condition #4 as set forth in the prior Decision to remove the requirement to design and install a stormwater pipe along the southerly side of Main Street (Cowpath Road) as the current stormwater design eliminates the need for said pipe.

The Subject Property is located at 200 N. Main Street, being Parcel No. 09-00-01228-00-5 and is located in the R-1 Residential District.

This legal notice is being published to amend the relief being requested by the Applicant. Subsequent to the initial legal notice, Applicant supplemented its application to include the above relief related to the modification of Condition #4 as set forth in the prior Decision of the Board. The Board will consider both issues set forth above at its hearing on September 24, 2026.

The Board will also consider any other business that comes before it in due course.

All interested parties may attend this hearing and will be given an opportunity to be heard.

Persons with disabilities who wish to attend the hearing and require auxiliary aid, service, or other accommodation to participate in the hearing should contact Hatfield Borough at 215-855-0781.

Police Department Report

September 2026

Borough Council Police Monthly Report

Executive Summary

The Hatfield Police Department responded to 385 calls for service in Hatfield Borough during August 2026, compared to 315 calls in August 2025, representing a 22% increase. The increase was primarily driven by Neighborhood Patrols, Building Checks, Property Checks/Area Checks, Selective Enforcement, and other proactive officer-initiated activities.

Calls for service increased significantly across several proactive categories. Neighborhood Patrols increased 22% (169), Building Checks increased 62% (21), Property Checks/Area Checks increased 220% (16), and Selective Enforcement increased 92% (23). These increases reflect the Department's continued focus on crime prevention, traffic safety, and quality of life concerns.

Wednesday experienced the highest call volume with 74 calls, followed by Saturday with 64 and Tuesday with 58. Call activity was highest during several daytime and evening periods, particularly around 9:00 AM, 2:00 PM, 4:00 PM, and 8:00 PM, while activity remained consistent throughout the day and evening.

Traffic enforcement remained a priority, with 23 selective enforcement details, a 92% increase, and 33 traffic stops, a 15% decrease compared to August 2025. The Department will continue targeted enforcement efforts to address traffic safety concerns and promote voluntary compliance.

Motor vehicle crashes increased, from 1 in August 2025 to 2 in August 2026. The Department will continue targeted enforcement and education efforts to promote roadway safety and reduce crashes.

Community engagement activities increased by 31%, from 162 to 213, driven by Neighborhood Patrols, Building Checks, Property Checks/Area Checks, and Directed Patrols.

Overall, August 2026 reflected the Department's continued commitment to proactive policing, traffic safety, crime prevention, and community engagement throughout Hatfield Borough.

Verizon Franchise
Renewal Agreement**

RESOLUTION NO. 2026-12

**RESOLUTION OF HATFIELD BOROUGH (“THE BOROUGH”)
AUTHORIZING EXECUTION OF A CABLE FRANCHISE AGREEMENT
BETWEEN THE BOROUGH AND
VERIZON PENNSYLVANIA LLC (THE “FRANCHISEE”)**

WHEREAS, the Franchisee is a “cable operator” and the Borough is a “local franchising authority” in accordance with Title VI of the Communications Act (see 47 U.S.C. § 522(5), (10)) and the Borough is authorized to grant one or more nonexclusive cable franchises to operate a Cable System within the Borough pursuant to Title VI of the Communications Act;

WHEREAS, the Borough previously granted to the Franchisee a nonexclusive Franchise to install, maintain, extend, and operate a Cable System in the Borough (the “Prior Franchise”);

WHEREAS, the Franchisee has operated a Cable System in accordance with the Prior Franchise on its existing Telecommunications Facilities consisting of a Fiber to the Premises Telecommunications Network (“FTTP Network”) in the Borough which also transmits Non-Cable Services pursuant to authority granted by applicable state law and Title II of the Communications Act, and which are not subject to Title VI of the Communications Act or any Franchise;

WHEREAS, the Franchisee has requested that the Borough renew the Prior Franchise to provide Cable Service to residents of the Borough;

WHEREAS, pursuant to and in accordance with applicable federal and state law, the Borough undertook a process to determine whether it should renew the Prior Franchise and the terms for such a renewal;

WHEREAS, the Borough has examined the past performance of the Franchisee and has identified the Borough’s future cable-related needs and interests;

WHEREAS, following good faith negotiations between the parties, the Borough and the Franchisee have agreed on the terms for a Franchise Renewal Agreement (the “Agreement”) under which the Franchisee will continue to operate its Cable System in the Borough; and

WHEREAS, the Borough has determined that the Agreement and the process for consideration of the Agreement complies with all applicable federal, state and local laws and regulations.

NOW THEREFORE, BE IT RESOLVED that the Borough Council does hereby approve the Agreement, including all of the terms and conditions contained therein, and does hereby authorize the execution of such Agreement.

RESOLVED this ____ day of _____, 2026.

President, Borough Council

**EXECUTIVE SUMMARY OF CABLE FRANCHISE RENEWAL
AGREEMENT WITH VERIZON PENNSYLVANIA LLC
August 2026**

Introduction

We are pleased to inform you that the Cohen Law Group (“CLG”) has reached agreement with Verizon Pennsylvania LLC (“Verizon”) on a new Cable Franchise Renewal Agreement (“Agreement”). As with our firm’s negotiations with Verizon in prior cable franchise renewals, the negotiations leading to this Agreement took place in a challenging environment for municipalities. The reason is that the video service industry is even more competitive today than it was during the last negotiation with Verizon five years ago.

The primary source of the competition and a major threat to the cable industry is the continued rise of video streaming services, such as Netflix, Hulu, and Disney+. According to a Pew Research Center survey, 83% of Americans report that they subscribe to one or more streaming services, while only 36% say that they subscribe to cable or satellite services.¹ Nielsen reported in June 2025 that 44% of Americans watched streaming services while only 24% watched cable. This was a significant increase from June 2021, when Nielsen reported that 26% of Americans watched streaming while 39% watched cable.² Current law does not permit municipalities to franchise streaming service companies.

A secondary reason is that recent federal funding for broadband expansion has also increased cable competition in Pennsylvania. The now-completed Broadband Infrastructure Program (BIP) and the ongoing Broadband Equity, Access and Deployment (BEAD) grant process have provided significant funding for broadband service providers, some of which also provide cable television service, to expand their networks. Some broadband providers that have received grant funding are also choosing to offer cable service. This has further increased cable competition for Verizon in certain geographical areas.

It was within this climate of increased cable competition that CLG negotiated a cable franchise renewal agreement with Verizon. While much of our negotiation involved fighting to retain the benefits in your current franchise agreement, we are also pleased to report that we were able to secure several key improvements to your current agreement.

¹ Pew Research Center, *American Trends Panel* (July 2025). Pew further reported that 64% of Americans aged 65 and older state they subscribe to cable or satellite television. Cable or satellite viewers comprised 44% of those aged 50-64, 23% of those aged 30-49 and 16% ages 18-29.

² Nielsen, *The Gauge* (June 2021, June 2025)

The following is a summary of the major provisions contained in the Agreement. While there are many other important provisions in the Agreement, this summary addresses only those items we feel are most important to your municipality. The Agreement is, of course, subject to the approval by your local governing body.

1. Franchise Fees (Section 6.1)

As with your current Verizon agreement, the new Agreement allows your municipality to assess a franchise fee of up to five percent (5%) of the cable operator's "gross revenue" received from cable services derived from the municipality. The percentage in the new Agreement is the same as in your current Verizon agreement. We negotiated to expand the definition of "gross revenue" in the new Agreement, however, such that it includes 27 enumerated revenue sources, which is 5 more than the 22 revenue sources in your current agreement.

Examples of new revenue sources subject to the franchise fee include broadcast retransmission fees and service plan protection fees. The "gross revenue" list also includes a "catch all" item to capture future revenue sources that are not in existence today, but may arise during the term of the Agreement. As with the current agreement, franchise fees in the new Agreement are payable on a quarterly basis and are subject to interest at six percent (6%) if they are not paid on time. All franchise fees are passed through to cable subscribers as a separate line item on their bills.

2. Franchise Fee Accountability (Sections 6.3, 6.4)

One of the most unaccounted-for line items in the revenue portion of your municipal budget is franchise fees. Verizon and your incumbent cable operator submit quarterly checks (or electronic deposits) to your municipality, but it is impossible to know whether the amounts on the checks are accurate without further investigation. As such, we strongly recommend periodic franchise fee audits of your cable operators.

As with your current agreement, the new Agreement authorizes your municipality to conduct an audit of Verizon to ensure the accurate payment of franchise fees. The audit is subject to a four-year "look back" period, meaning you are able to review the previous four years of franchise fee payments when conducting an audit. Verizon is required to pay six percent (6%) interest in addition to any underpayments. If the audit reveals underpayments of five percent (5%) or more, then Verizon must also reimburse the municipality up to \$8,000 for the cost of the audit. The current agreement limits this reimbursement to \$3,000.

Based on our firm's experience in conducting numerous franchise fee audits of Verizon, we negotiated heavily for a more efficient audit process that is fair to both sides. The Agreement requires Verizon to provide all records requested by the municipality within 45 days of the request. This will accelerate the audit process, as the current agreement does not include a time frame for production of audit materials by Verizon. Verizon also agreed to provide such records through a "secure electronic communication" rather than in person at a "designated [Verizon] office" as

provided in the current agreement.³ The audit must be completed within 180 days of the receipt of all requested documents. Finally, Verizon tried to impose a “competitive equity” requirement such that the municipality could not conduct an audit of Verizon without also auditing the incumbent cable operator. After we objected, Verizon agreed to drop this request.

3. Cable Services to Community Facilities (Section 3.4)

The Agreement restructures and clarifies the section on cable services to municipal facilities, schools, and public libraries. Due to the uncertainty surrounding the Federal Communications Commission’s (“FCC’s”) Third Report and Order (2019) and the decision of the Sixth Circuit Court of Appeals (2021) regarding the Order, your current agreement does not clearly state whether Verizon is required to provide free services to such facilities. The Order required that “in-kind contributions” to municipalities, including cable services, be treated as franchise fees. As such, it found that the cost of such services may be offset against franchise fee revenue. The Sixth Circuit, however, held that such in-kind services must be valued at the cable operator’s “marginal cost” rather than its “retail rate-card” price, the latter of which is significantly higher.

Given this clarification by the Sixth Circuit Court, the Agreement clearly states that Verizon must provide free cable service to municipal facilities, schools and public libraries within 90 days of a written request by the municipality.⁴ If Verizon decides in the future to charge for this service, it must provide written notice to the municipality, may only charge its marginal cost and must provide “reasonable detail sufficient to substantiate the marginal cost and the amount due.” Note that, since the Sixth Circuit decision in 2021, no known cable operator, including Verizon, has stated its marginal cost for providing cable service to community facilities. Please note that the free service does not include internet service.

4. Customer Service Standards (Exhibit B)

The Agreement includes a set of comprehensive, quantifiable, and enforceable customer service standards. These standards adopt the recommendations of the FCC, which are not enforceable unless they are included in a franchise agreement, and also add certain additional requirements that benefit your residents. The customer service standards include, but are not limited to, the following:

- Telephone answering time limits for customer service representatives, including the requirement that Verizon measure compliance if there are customer complaints;
- Time limits for commencing installation, service interruption, and repair work;
- A four-hour “appointment window” for service calls and restrictions on technicians cancelling appointments with customers;
- Credits for service interruptions of four or more hours upon request;
- Requirements that bills be clear and fully itemized, and that Verizon may not impose late fees on a customer who disputes a bill in good faith until the dispute is resolved;

³ Note that Verizon’s release of financial records and other information pertinent to the audit must follow the signing of a non-disclosure agreement.

⁴ The facilities must be located within 200 feet of a Verizon distribution line. The free service is Verizon’s Basic Service package and includes one cable drop.

- Customer complaint procedures and time frames for responding to customer complaints;
- Requirements that employees of Verizon and its contractors who visit residences must wear a “clearly visible ID card” and that every service vehicle of Verizon or its contractors must be “clearly identified as such to the public.”
- Requirements that must be met prior to Verizon disconnecting cable service to a subscriber.

5. Reporting and Records Requirements (Sections 6.2, 8.2)

As with the current agreement, the new Agreement requires Verizon to send the municipality a quarterly, line-item franchise fee report. In addition, Verizon must keep the following specific records that may be inspected by the municipality: 1) records of all written “complaints” regarding any aspect of Verizon’s cable service or cable system; 2) records of all “significant outages” as defined in the Agreement; 3) records of service calls for repair or maintenance; and 4) records of installation/reconnection activities and requests for service extensions. The municipality also has the right to inspect Verizon’s records pertaining to the Agreement or any aspect of its cable service. Verizon must retain the records for at least four years.

6. Educational and Governmental Channels (Section 5)

Federal law grants municipalities the right to dedicated channel space for public, educational and governmental (“PEG”) channels. The Agreement reserves the right for the municipality to obtain up to two educational and governmental (“EG”) channels from Verizon to be used for programming related to educational and/or governmental activities. The municipality would have complete control over the content, scheduling, and administration of the channel, and may delegate these functions, or a portion of these functions, to a designated access administrator, such as the School District.

If the municipality activates a channel or channels, Verizon will provide the wires and other signal distribution equipment so that programming can originate from the selected video origination location and be distributed over the cable system. In the Agreement, Verizon is required to maintain these wires and equipment “in good working order.” The Agreement also requires the technical specifications of the channel(s) to be comparable to the technical specifications used for commercial channels.

7. Liquidated Damages for Violations (Section 12.1-12.3)

Once Verizon has agreed to the obligations described in this summary and the other obligations contained in the Agreement, it is important for the municipality to be able to enforce these obligations. As with the current Verizon agreement, the new Agreement authorizes the municipality to impose monetary fines, also known as “liquidated damages,” on a daily basis in the event of a violation by Verizon. The amounts of the fines in the new Agreement, however, are 83% higher than those in the old agreement (\$275 per day rather than \$150 per day for nearly all violations).

The municipality may assess these monetary fines after providing Verizon with written notice and allowing it 30 days to correct the violation. If the nature of the violation is such that it cannot be corrected within 30 days, the municipality may extend the cure period if it chooses to do so. The total amount of liquidated damages per year may not exceed \$20,000, after which the municipality may commence revocation proceedings or initiate a lawsuit. Note that Verizon requested a “competitive equity” clause, such that liquidated damages could only be assessed on Verizon if the incumbent cable operator is also subject to such damages. After we objected, Verizon dropped this request.

8. Unilateral Termination (Section 2.4)

As with your current agreement, the new Agreement includes a unilateral termination provision. Verizon initially insisted upon the right to terminate the Agreement upon 60 days’ written notice to the municipality. The reason for this request is consistent with the issues discussed in the introduction above—namely, the rise of video streaming services and increased competition in the cable industry. It is possible that these developments, combined with Verizon’s internal business priorities, could in the future cause the company to cease its cable operations.

Recognizing that, if Verizon decides to terminate its cable business, there is little the municipality could do to stop it, we pushed for the longest possible notice period. An appropriate notice period would give Verizon subscribers the time to switch to Comcast or another video provider prior to termination. It would also ensure that the municipality would not suffer an abrupt drop in franchise fee revenue from Verizon before receiving increased franchise fees from the incumbent cable provider due to the newly migrated subscribers.

In the end, Verizon agreed to a requirement that it must give written notice to the municipality at least 12 months prior to any termination. We also attempted to insert a condition based on a specific loss of subscribers before Verizon could terminate—similar to that in the current agreement—but Verizon had no appetite for such a condition. We can confidently state that the 12-month notice period is as far as Verizon is willing to go regarding this issue.

9. Competitive Equity (Section 2.5)

Like Comcast and other incumbent cable operators, Verizon insisted on a competitive equity provision to ensure that the municipality does not grant a separate franchise to another company that is more favorable to that company than this Agreement is to Verizon. As with your current agreement, we insisted upon and Verizon agreed that the competitive equity provision will trigger only if the municipality enters into another franchise agreement with a “video service provider (VSP)” and that agreement “taken as a whole upon consideration of all of its material obligations, is materially less burdensome than the terms imposed by this Franchise.”⁵ The term “VSP” applies to wired companies that offer video services in the municipality and use the public rights-of-way. It does not apply to wireless companies.

⁵ The provision also applies to “changes in federal, state, or local law that reduces any material financial and/or operational obligation that the municipality has required from or imposed upon a VSP...”

If Verizon believes there is a lack of equity with the other VSP agreement, then it may notify the municipality and, within 60 days of such notice, the parties must begin negotiations to modify the Agreement to create “reasonable competitive equity” between Verizon and the other VSP. If the parties cannot reach agreement, then either party may request mediation or, if both parties agree, they may submit the matter to arbitration. Initially, Verizon wanted the right to terminate the Agreement altogether if the parties could not reach agreement on modifications to the Agreement, but we refused. Verizon dropped this request.

10. Length of Franchise Term (Section 2.3)

Verizon insisted on a 5-year term for this Agreement, stating that it does not want to be locked into a longer term (despite the “unilateral termination” provision described above). According to Verizon attorneys, no local government in the United States has negotiated a longer renewal term than 5 years. From the beginning of the negotiations, Verizon’s attorneys said that this item was non-negotiable. As such and as with your current agreement, the length of term in this Agreement is 5 years.

Thank you for the opportunity to present this summary of the major provisions of the Agreement. Please do not hesitate to contact either of us directly if you have any questions or concerns.
